

4DSP LLC. REACH SVHC Non-use Declaration – Published April 2nd 2013

EU REACH (Registration, Evaluation, Authorization of Chemicals) Directive on the restriction of use of SVHC (Substances of Very High Concern) in Electronics Components

In the manufacture of its products, 4DSP LLC uses only the standard components and materials sourced from established global suppliers that also supply the rest of the semiconductor industry. To the best of our knowledge and based on the information received from our suppliers and manufacturers, the substances in the June 18, 2012 updated REACH SVHC list (84 items) are NOT intentionally added or used in our products.

4DSP is striving to comply with the latest regulations in place. This document will be updated regularly based on the latest information collected from suppliers and manufacturers.
