

# FITTINGS

## Jacket Over Armor

### FEATURES

- Slip-on design with no disassembly for easy installation
- Neoprene bushing for raintight seal
- Locknuts, bushings and flange gasket included – no additional materials to purchase
- Flange gasket prevents moisture penetration through threads
- Made from copper-free aluminum alloy for corrosion resistance
- Fits broad range – .351-4.62 cable O.D.
- Determine satisfactory fit by checking cable dimensions A and B. If cable dimensions do not fall within acceptable range, consult factory.
