The provisions of this Order shall be construed and interpreted as consistent whenever possible. Any conflicts in this Order shall be resolved in accordance with the following descending order of precedence

- (a) the Purchase Order;
- (b) these Terms and Conditions (which are incorporated by reference in any Purchase Order issued hereunder);
- (c) the Statement of Work.

These Terms and Conditions shall be construed and interpreted as consistent whenever possible. In the event of a conflict in the Articles contained in ITEM 1 and applicable clauses contained in ITEM 2, the applicable clauses in ITEM 2 shall control to the extent necessary for Buyer to comply with Buyer’s Government Contract.

2. ACCEPTANCE OF THIS ORDER: Any of the following acts by Seller shall constitute acceptance of this Order, regardless of whether Buyer has received a signed Order from Seller:

- (a) execution of the acceptance copy of this Order and receipt by Buyer;
- (b) initiation of any aspect of performance, or notification to Buyer that Seller is commencing performance, under this Order;

In accordance with the Defense Priorities and Allocations Systems (“DPAS”), codified at 15 C.F.R. § 700, Seller must sign and

return, or reject in writing, the Order acceptance copy within five (5) days of Seller's receipt if this Order is DX rated, within ten (10) days after receipt if DO rated. For unrated Orders, Seller shall sign and return the Order acceptance copy within ten (10) days after receipt.

3. DELIVERY: Shipments made pursuant to this Order must be shipped as specified in the Purchase Order. If Seller does not use Buyer's specified carrier(s) and Buyer incurs additional freight cost as a result, such additional freight cost shall be Seller's responsibility. Moreover, unless otherwise specified, Seller hereby agrees to the following:

- (a) Buyer reserves the right to refuse shipments made in advance of the schedule set forth in this Order. If Seller tenders Items for delivery to Buyer in advance of the delivery date specified in Buyer's delivery schedules, Buyer may, in its absolute discretion, either (i) refuse delivery, return early deliveries at Seller's expense, and require re-delivery at Seller's expense on the delivery date, or (ii) retain such Items and make payment in accordance with the original payment schedule in the Purchase Order regardless of the actual date of delivery. Seller bears the risk of loss of all Items delivered in advance of the delivery date specified in Buyer's delivery schedules.
- (b) Overshipment allowances require prior Buyer authorization, and will be applied to the entire Order. Unauthorized overshipments shall be returned to Seller at Seller's sole expense. Seller has the right to deem overshipments uneconomical to return, relieving Buyer of responsibility to return or pay for the overshipment.
- (c) Time is of the essence in Seller's performance of the Order, and Seller shall deliver Items and Services by the delivery date specified in Buyer's delivery schedules. If Seller tenders Items for delivery to Buyer after the delivery date specified in Buyer's delivery schedules:
 - (1) Buyer may refuse late deliveries.
 - (2) If Buyer agrees to accept deliveries after the contracted delivery date the Parties agree that delays which are not excusable or mutually agreed upon shall be subject to liquidated damages of one percent (1%) of the total order value per day, up to a maximum amount of twenty-five percent (25%) of the Purchase Order value, for each day delivery or performance is delayed beyond the date set forth in the Schedule of this Purchase Order, to be paid within forty-five (45) days of Buyer's acceptance of such deliveries. Buyer's right hereunder to recover liquidated damages for Seller's delayed performance is not an exclusive remedy for delay and shall be in addition to all other rights and remedies that Buyer has under this Order and at law and equity. The liquidated penalty amount shall be subtracted from the line item value. If the delivery delay was as a result of any action taken on the part of Buyer, Seller shall notify Buyer in writing at the time the delay occurs and request that Buyer waive the penalty assessment. Failure to notify Buyer will result in penalty. Seller may not refuse shipment of said line item to avoid late delivery penalty.
 - (3) When any delays in delivery occur, Seller shall immediately give notice thereof to Buyer. If requested by Buyer, Seller shall use additional effort, including premium effort, to avoid or minimize delay to the maximum extent possible. All of the costs of the additional effort shall be borne by Seller. The rights and remedies pursuant to this Article are in addition to rights and remedies provided to Buyer under this Order.
 - (4) Acceptance of late deliveries shall not be deemed a waiver of Buyer's right to hold Seller liable for any loss or damage resulting therefrom, nor shall it act as a modification of Seller's obligation to make future

deliveries in accordance with the delivery schedule set forth in this Order.

- (5) Seller at the request of Buyer, shall provide a written explanation for the root cause of the delay, Seller's corrective action plan to address the late deliveries and assurances that Seller will make all future deliveries in accordance with the Order requirements and schedule.
- (d) Delivery shall be to the location directed by Buyer.

4. QUALITY CONTROL, INSPECTION, REJECTION, ACCEPTANCE:

- (a) Seller shall establish and maintain a quality management system acceptable to Buyer for the Items or Services purchased under this Order. Seller shall permit Buyer to review procedures, practices, processes and related documents to determine such acceptability. Seller shall have a continuing obligation to promptly notify Buyer of any violation or deviation from Seller's approved inspection/quality control system and to advise Buyer of the quantity and specific identity of any Items or Services provided to Buyer during the period of any such violation or deviation. Seller will maintain the accepted quality management system throughout the duration of the Order. If Seller is cited for compliance violations, Seller shall within forty-eight (48) hours so notify Buyer and within sixty (60) days must rectify the non-compliance issues. If the violation is not corrected and certification has not taken place within this time frame, then Buyer at its sole discretion may terminate this Order. Seller will notify Buyer of any significant changes that affect quality within twenty-four (24) hours of that change. These changes include – but are not limited to – change in key management or personnel, change in source of supply of key materials, change in address or site configuration.
- (b) Buyer and/or its customer, to the extent practicable at all times and places including the period of manufacture or performance, may inspect and test material, work in process, services, and supplies. This Order may include requirements for design, test, inspection, verification (including production process verification), use of statistical techniques for product acceptance, and related instructions for acceptance by Buyer, and as applicable critical items including key characteristics and requirements for test specimens (e.g., production method, number, storage conditions) for design approval, inspection/verification, investigation or auditing. This Order grants Buyer and its customer the right to so inspect and test, but not the obligation. Seller retains the obligation to ensure proper inspection and testing.
- (c) Seller shall not provide non-conforming Services or Items. Buyer shall have the right to reject any Services or Items or lots of Items which it determines are defective in material or workmanship or otherwise not in conformity with the requirements of this Order and to require their correction or replacement, or to provide other disposition direction for the non-conforming Services or Items. Rejected Services or Items shall be removed or if permitted or required by Buyer, corrected in place by and at the expense of Seller promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Seller fails to promptly replace, correct, or remove such Services or Items or lots of Items which are required to be removed, Buyer may:
 - (1) replace or correct such Services or Items and charge to Seller the cost occasioned Buyer thereby; or
 - (2) pay for such Services or Items at a reduced price which is equitable under the circumstances; or
 - (3) cancel this Order, or any portion thereof, for default as provided in Article 21; or
 - (4) exercise any other applicable rights or remedies.

- (d) If Buyer rejects any Services or Items as non-conforming, Buyer will be entitled to dispose of the non-conforming Services or Items without liability to Seller, provided, however, that in any event Buyer may elect to arrange for the shipment of any non-conforming Services or Items back to Seller at Seller's expense. Seller will bear all risk of loss with respect to all non-conforming Services or Items and will promptly pay or reimburse all costs incurred by Buyer to return, store or dispose of any non-conforming Services or Items.
- (e) Buyer's payment for any non-conforming Items or Services will not constitute acceptance by Buyer, limit or impair Buyer's right to exercise any rights or remedies, or relieve Seller of responsibility for the non-conforming Items or Services. In the event Buyer decides for any reason to accept non-conforming Items or Services, any costs incurred by Buyer testing, evaluating and manufacturing, relating to the design changes to any of the Items or Services, shall be responsibility of Seller, and Seller may not pass along any costs in relation to the design change(s).
- (f) If any inspection or test is made by Buyer and/or its customer on the premises of Seller or a lower tier subcontractor, Seller without additional charge shall provide all reasonable facilities and assistance for the safety and convenience of Buyer and/or customer inspectors in the performance of their duties. In the case of rejection, Buyer shall not be liable for any reduction in value of samples used in connection with such inspection or test. All inspections and tests by Buyer and/or its customer shall be performed in such a manner as not to unduly delay the work. Buyer reserves the right to charge to Seller any additional cost of inspection and test when Items or Services are not ready at the time such inspection and test was requested by Seller or when reinspection or retest is necessitated by prior rejection. Unless otherwise provided herein, final inspection and acceptance or rejection of Items or Services shall be made as promptly as practicable after delivery to Buyer's facility. Buyer's failure to inspect or accept or reject Items or Services in a timely manner shall neither relieve Seller from full compliance with all requirements of this Order, nor impose responsibility on Buyer therefore.
- (g) Seller shall provide and maintain an inspection system acceptable to Buyer covering the Items or Services hereunder. Records of all test and inspection work by Seller shall be kept complete and available to Buyer and/or its customer for four (4) years following completion of an order, or for a longer period of time if required to comply with FAR 4.703. Such records shall be stored, maintained and handled in accordance with the requirements set forth in FAR 4.805.
- (h) Inspection and test by Buyer or its customer of any Services or Items or lots thereof does not relieve Seller from any responsibility regarding defects or other failures to meet Order requirements which may be discovered prior to acceptance or during the warranty period set forth in Article 26. In the event Seller discovers a Service or Item is non-conforming subsequent to performance or delivery, Seller shall promptly notify Buyer. Disposition shall be in accordance with paragraphs (c) and (d) of this Article.
- (i) If, prior to or at the time of final acceptance or within the warranty period, it was known or should be known by Buyer that said Items or Services would not or did not conform to the requirements of this Order, final acceptance shall not be construed as a waiver of any rights Buyer may have with respect to the Items or Services purchased under this Order, notwithstanding the failure of Buyer to timely inform Seller of such nonconformance.
- (j) Final acceptance by Buyer of the Items or Services provided hereunder shall take place only after complete delivery of all Items or Services in accordance with the delivery schedule specified herein or later agreed upon by the Parties in writing and after final inspection of those Items or Services by Buyer

and Buyer's customer. Final acceptance shall be contingent upon agreement by Buyer and Buyer's customer that the Items or Services conform to the requirements of this Order. Final acceptance by Buyer shall be conclusive, except for latent defects, negligent or intentional misrepresentations by Seller that a nonconformity or defect would be or had been cured or did not exist, acceptance induced by false or negligent assurances of Seller, or as otherwise provided in this Order or applicable law. Final acceptance by Buyer of the Items or Services delivered hereunder shall not limit or affect the warranty or indemnity granted by Seller hereunder.

5. PACKING: Unless otherwise specified in this Order, Seller shall be responsible for safe and adequate packing conforming to the requirements of carriers' tariffs or, in the absence of such requirements, conforming to the best commercial practices. All expendable packaging materials must be legally and economically disposable or recyclable. Seller shall separately number all cases, packages, etc., showing the corresponding numbers on the invoices. An itemized packing slip, bearing this Order number must be placed in each container. No extra charge shall be made for packaging or packing materials unless authority therefore is set forth in this Order.

6. SHIPPING INSTRUCTIONS: Seller shall comply with Buyer's routing and shipping instructions. If Buyer's routing and shipping instructions are not attached to the Purchase Order or have not been previously received by Seller, Seller shall immediately request the Instructions from Buyer. Seller shall remain liable for any and all additional charges which accrue as a result of Seller's failure to comply with Buyer's routing and shipping instructions.

7. MODIFICATION OF ORDER: This Order contains all the agreements of the Parties with respect thereto and no course of dealing or usage of the trade shall be applicable unless expressly incorporated in this Order. The terms and conditions contained in this Order may not be added to, modified, superseded or otherwise altered except by a written instrument signed by Buyer Representative and delivered by Buyer to Seller. Modifications of this Order shall be handled pursuant to Article 13 "Changes and Equitable Adjustments". Each shipment received from Seller shall be deemed to be exclusively upon the terms and conditions contained in this Order notwithstanding any terms and conditions that may be contained in any acknowledgment, invoice, correspondence or other documents of Seller, and notwithstanding Buyer's act of accepting or paying for any shipment or similar act of Buyer.

8. ITEM SUPPORT:

- (a) Seller shall agree to support the Items purchased hereunder during the operational life of the Items or for a period of ten (10) years from the date of final shipment under this Order if Buyer funds such support. Said support includes, but is not limited to, technical service and maintenance of Seller's stock of subassemblies and spare parts as may be required to be ordered to support the operation of the Items.
- (b) In the event Seller discontinues manufacture of the aforementioned Items, subassemblies and spare parts therefore, and does not provide for another qualified source, Seller shall give Buyer not less than six months notice of such decision to discontinue and thereupon make available to Buyer all drawings, specifications, data, and know how which will enable Buyer or its customers to manufacture or procure said Items, subassemblies and spare parts under a royalty free license which is hereby granted.

9. ITEM CONTENT: Seller agrees to provide to Buyer all Item content information required to satisfy both Buyer's content reporting obligations and Buyer's customers' reporting obligations.

10. PRICE, PAYMENT AND CLOSE-OUT:

- (a) Buyer shall pay Seller, upon the submission of proper invoices or vouchers, the prices stipulated in this Order for Items delivered and accepted or Services rendered and accepted, less any deductions provided in this Order.
- (b) Invoicing.
 - (1) Seller shall issue a separate invoice, in English, for each shipment or each billing period. Payments will be made from "Original" invoices only. Fax copies, statements, or invoice copies will not be accepted. "Duplicate Original" invoices must not be sent without prior authorization from Buyer. Unless otherwise instructed by Buyer, each invoice shall include:
 - (i) Buyer Purchase Order Number and Line number;
 - (ii) Buyer Line Description (as referenced on the Order);
 - (iii) the Unit Price and Total Price;
 - (iv) Seller's invoice number and date;
 - (v) the payment terms as agreed by the Parties and stated in the Purchase Order;
 - (vi) a description of the work performed; and
 - (2) Each payment made shall be subject to reduction to the extent of amounts which are found by Buyer or Seller not to have been properly payable, and shall also be subject to reduction for overpayments. Seller shall promptly notify Buyer of any such overpayments found by Seller. Buyer, and any affiliate of Buyer, may withhold, deduct and/or setoff all money due, or which may become due, from Buyer or any affiliate of Buyer, arising out of Seller's performance under this Order or any other transaction Buyer and its affiliates may have with Seller.
 - (3) If Buyer chooses to make interim payments for Order financing, Buyer will make such payments on the 45th day after the payment office designated on the Purchase Order receives a proper payment request. In the event that Buyer or Buyer's Customer requires an audit or other review of a specific payment request to ensure compliance with the terms and conditions of the Order, Buyer is not compelled to make payment by the specified due date.
 - (4) Determination of payment due date, whether under net or discount terms, will be based on the latest of (i) the date goods are received or services performed; (ii) the date provided in this contract for receipt of goods or completion of services; or (iii) the date an accurate invoice is received in Buyer's accounts payable group. Payments are not scheduled based upon the date of Seller's invoice. Payment will be deemed to have been made when deposited in the mail. Any applicable discount period will be computed from the date of receipt of a correct invoice to the date Buyer issues a check.
 - (5) Seller shall submit invoices to Buyer no later than the 15th day of the month following the period of performance being invoiced. Seller shall not backdate any invoices. There shall NOT be a lapse of more than thirty (30) calendar days between performance and submission of an invoice. Failure to submit an invoice for each month of an active and current performance period may result in a 5% deduction of the total outstanding amount to be paid on the most current invoice.
 - (6) Upon Buyer's request, Seller shall provide a reconciliation of all invoices submitted to Buyer.
- (c) No subcontract placed under this Order shall provide for payment of a cost-plus-a-percentage-of-cost basis, and any fee payable under cost-reimbursement subcontracts shall not exceed the fee limitations in paragraph 15.404-4(c)(4)(i) of the FAR.

- (d) Following completion of work and before final payment, Seller shall comply with the close-out procedure as directed by Buyer.

11. OFFSET/COUNTERTRADE CREDIT: In connection with the sale of Buyer's Items to certain foreign government customers, Buyer may incur direct and/or indirect offset/countertrade obligations. Seller hereby exclusively grants to Buyer all offset or countertrade credit that may be obtained from this Order, or from Seller's placement of its purchase orders and subcontracts, for Buyer's use on the offset/countertrade program of Buyer's choice. Buyer retains the right to assign any such offset or countertrade credits to third parties. Seller shall include this clause, for the benefit of Buyer, in all lower-tier purchase orders and subcontracts awarded in the performance of this Order. Seller shall maintain a record of its purchases under this Order and Buyer reserves the right to review such record not more often than every six (6) months to determine offset availability. This Article 11 shall survive two (2) years beyond the completion of this Order.

12. TAXES: Unless otherwise notified by Buyer in writing, the price of this Order includes and Seller shall be responsible for the payment of any Federal, State, and Local taxes, duties, tariffs, transportation taxes, or other similar taxes or fees which are required to be imposed upon the Items or Services ordered hereunder by Buyer or Buyer's customer, unless Seller obtains any applicable exemptions. Seller represents that its price does not include any taxes, impositions, charges or exactions for which it has obtained a valid exemption certificate or other evidence of exemption. Any taxes included in this Order shall be itemized separately in Seller's invoice.

13. CHANGES AND EQUITABLE ADJUSTMENTS:

- (a) Buyer may at any time and without notice to third parties, including sureties (if any), by written instructions from Buyer's Representative to Seller, unilaterally make changes to these terms and conditions and/or in the Services to be performed or the Items to be furnished hereunder in any one or more of the following:
 - (1) drawings, designs or specifications;
 - (2) method of shipment or packing;
 - (3) time and/or place of delivery, inspection or acceptance;
 - (4) the quantity of Items ordered or Services to be performed;
 - (5) the statement of work;
 - (6) method or manner of performance of the work; and,
 - (7) property, facilities, equipment, or materials, to be provided under this Order.During performance of this Order, Seller shall not make any changes in the Services to be performed or in the design of Items or manufacturing of Items to be furnished by Seller under this Order, including any changes to the process, manufacturing location, or use of suppliers, without advance notification to and written approval of Buyer. Items or Services that have changed without prior notification and consent shall be nonconforming Items or Services under this Order. Changes shall not be binding upon Buyer, except when confirmed in writing by a member of Buyer's Representative. The issuance of information, advice, approvals or instructions by Buyer's technical personnel or other representative shall be deemed expressions of personal opinion only, and shall not affect Buyer's and Seller's rights and obligations hereunder, unless the same is in writing signed by Buyer Representative and which expressly states that it constitutes an amendment to this Order. If Seller considers that Buyer's conduct constitutes a change, Seller shall notify Buyer's Representative immediately in writing as to the nature of such conduct and its effect upon Seller's performance.
- (b) If any change under this Article causes an increase or decrease in the allocation of hours by labor category, change

to material costs anticipated or the time required for performance of the Order, an equitable adjustment to the Order price and/or delivery schedule may be made and the Order modified in writing accordingly, provided however, that any equitable adjustment in price to which Seller may be entitled as a result of an increase in the quantity of Items or Services ordered shall not exceed the funded value or unit price established for such Items or Services herein. Any claim by Seller for adjustment must be submitted in writing in the form of a complete change proposal, fully supported by factual information to Buyer's Representative within fifteen (15) days from the date Buyer issued the change order. Buyer may, in its sole discretion, increase the funded value and may consider any such claim regardless of when asserted, except that no claim for equitable adjustment shall be allowed after final payment of this Order. Consistent with Article 46, for any claims seeking an equitable adjustment or other relief in excess of \$100,000 submitted by Seller under this Order, Seller shall submit to Buyer a signed certificate that states as follows, substituting Seller's legal name where indicated:

"I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the Order adjustment for which [Seller] believes Buyer is liable; and that I am duly authorized to certify the claim on behalf of [Seller]."

If requested by Buyer, Seller shall identify that portion of its claim for which it believes the Government is liable and shall execute the certification above, substituting "the Government" for "Buyer" as to such amount.

If Buyer and Seller are unable to agree upon an equitable adjustment in the event of any change directed by Buyer, the matter will be resolved in accordance with the disputes provisions of Article 47. Nothing contained herein, including failure of the Parties to agree upon any equitable adjustment to be made under this Article, shall excuse Seller from proceeding without delay with the Order as changed by Buyer's written direction.

- (c)
- (1) Notwithstanding any other provisions in this Order, any decision of the Contracting Officer under Buyer's Government Contract which binds Buyer shall bind both Buyer and Seller to the extent that it relates to this Order;
 - (2) If Buyer elects not to appeal any final decision of the Contracting Officer, or deemed denial under the Disputes Clause of Buyer's Government Contract, Buyer will so notify Seller in writing with reasonable promptness after Buyer receives the final decision of the Contracting Officer or the dispute is deemed denied. If within thirty (30) days after Seller receives Buyer's notice of its decision not to appeal the final decision of the Contracting Officer or deemed denial, Seller notifies Buyer that Seller wishes to appeal that final decision or deemed denial, Buyer may grant Seller an indirect right to appeal that final decision or deemed denial in Buyer's name under the Disputes Clause of Buyer's Government Contract, provided that:
 - (i) Seller will pay all direct costs and expenses of any such appeal reasonably incurred by Buyer in providing assistance to Seller in Seller's appeal;
 - (ii) Seller will be solely responsible for prosecuting the appeal and preparing and presenting all pleadings, evidence and argument; and
 - (iii) Seller will provide monthly written reports to Buyer of the progress of the appeal and will furnish Buyer copies of all pleadings and non-privileged correspondence filed or received by it concerning the appeal.

- (3) Any decision upon such appeal, when final, shall be binding upon Seller.
 - (4) Seller shall indemnify and save harmless from any and all liability of any kind incurred by or imputed to Buyer under Section 5, "Fraudulent Claims," of the Contract Disputes Act of 1978, as amended, if Seller is unable to support any part of its claim and it is determined that such inability is attributable to fraud or misrepresentation of fact on the part of Seller.
- (d) Pending any prosecution, appeal, or final decision or settlement of any dispute arising under this Order, Seller shall proceed diligently, as directed by Buyer, with the performance of this Order.
 - (e) Nothing in this clause nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgment by Buyer of the validity of Seller's claim or any part thereof, nor be deemed to limit or in any way to restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.
 - (f) As used in this clause, the word "appeal" means an appeal taken under the Contract Disputes Act of 1978, as amended.
 - (g) In no event shall the Seller acquire any direct claim or direct course of action against the United States Government.

14. Seller shall maintain procedures for the adequate accountability, storage, maintenance and inspection of such items and shall make such records available to Buyer upon request.

- (a) Buyer may provide to Seller property owned by either Buyer or its customer (Furnished Property) as set forth in the Order. Furnished Property shall be used only for the performance of this Order, or for the performance of a direct contract between Buyer's customer and Seller where Seller has obtained specific approval from Buyer's customer authorizing such use.
- (b) Title to Furnished Property shall be retained by Buyer or its customer. Seller shall clearly mark (if not already marked) all Furnished Property to show ownership. While Furnished Property is in Seller's possession, Seller shall prevent the comingling of Furnished Property with other materials in Seller's possession, except in accordance with Buyer's written instructions.
- (c) Except for reasonable wear and tear, Seller assumes all risk of loss, destruction, or damage of Furnished Property while in Seller's possession, custody, or control. Upon request, Seller shall promptly provide Buyer with adequate proof of

insurance against such risk of loss. Seller shall promptly notify Buyer of any loss or damage. Without additional charge, Seller shall manage, maintain, and preserve Furnished Property in accordance with good commercial practice. 18. CLASSIFIED REQUIREMENTS: In the event this Order requires access to classified information, Seller, at its sole expense, agrees to comply with all laws and regulations of the United States related to such classified requirements, including obtaining all required authorizations from the U.S. pursuant to, among other requirements, those set forth in the National Industrial Security Program Operating Manual (NISPOM) and any specific agency supplements to the NISPOM or other classified requirements as directed by Buyer. A copy of the NISPOM is available for download at https://www.dss.mil/GW/ShowBinary/DSS/isp/fac_clear/download_d_nispom.html.

Buyer is flowing down to Seller certain provisions and clauses from the Federal Acquisition Regulation (FAR) and Department of Defense FAR Supplement (DFARS) (all herein "USG Clauses"). These USG Clauses are hereby incorporated by reference, as applicable, and in the manner set forth below (including any parenthetical information and Numbered Notes). USG Clauses inapplicable to the performance of this Order under Buyer's Government Contract are self-deleting. If the date and/or substance of a USG Clause is different than the date or substance of the clause incorporated in Buyer's Government Contract, then the date and/or substance of the clause incorporated in Buyer's Government Contract shall apply instead. The Parties hereby agree to amend this ITEM 2 to include any additional or revised USG Clauses incorporated in Buyer's Government Contract that are applicable to the performance of this Order. The Parties shall handle any such amendments of this ITEM 2 under Article 13 "Changes and Equitable Adjustments" of this Order. Seller shall flow down to its lower-tier subcontractors all applicable USG Clauses and any other requirements of this Order and applicable law so as to enable and ensure that Buyer and Seller comply with all applicable requirements of Buyer's Government Contract.

It is intended by the Parties that these USG Clauses shall apply to Seller in such manner as is necessary to reflect the position of Seller as a subcontractor to Buyer, and to insure Seller's obligations to Buyer and to the Government, and to enable Buyer to meet its contract obligations to the Federal Government. Consequently, in interpreting and applying USG Clauses flowed down to Seller, and as context requires, the terms "Contractor" and "Offeror" shall mean Seller, the term "Contract" shall mean this Order, and the term "Government", "Contracting Officer" and equivalent phrases shall mean Buyer and/or Buyer Representative. However, as an exception to the foregoing, the terms "Government" and "Contracting Officer" do not change in the following circumstances:

- (a) in the phrases "Government Property," "Government-Furnished Property," and "Government-Owned Property,"
- (b) in the Patent Rights clauses incorporated therein, if any;
- (c) when a right, act, authorization or obligation can be granted or performed only by the Government or a Contracting Officer or his/her duly-authorized representative;
- (d) when title to property is to be transferred directly to the Government;
- (e) when access to proprietary financial information or other proprietary data is required, except as otherwise provided in this Order; and
- (f) where specifically modified in this Order.

USG Clauses flowed down by Buyer to Seller pursuant to this provision may require submission of certificates. All such required representations and certifications made by Seller in connection with flow down of USG Clauses, including all such certifications submitted by Seller with its offer, are hereby incorporated in this Order by reference. Seller shall, with respect to applicable USG Clauses flowed down pursuant to this provision, furnish to Buyer (or directly to the Government upon request of Buyer) any certificate required to be furnished by any USG Clause and any certificate required by any further U.S. law, ordinance, or regulation with respect to Seller's compliance with the terms and provisions of U.S. laws, ordinances, or regulations. As used in this paragraph, the word "certificate" shall include any plan or course of action or record keeping function, as, for example, a small business subcontracting plan for which flow down is required.

The notation [M] after a FAR Clause name (or Alternate) indicates that the FAR *requires* the clause to be flowed down to subcontracts, or requires the contractor to certify the subcontractor's compliance.
