

PRESS RELEASE

ALBIS PLASTICS at the NPE 2015

- **ALBIS PLASTICS showcases solutions for lighting applications**
- **Orange County Convention Center Orlando, booth 16047**

Houston, February 2nd, 2015. ALBIS PLASTICS CORPORATION will be taking part at the NPE 2015 Exhibition in Orlando, Florida in March. The company is a subsidiary of ALBIS PLASTIC GmbH, the global specialist for the distribution and compounding of technical thermoplastics.

On its booth ALBIS will be presenting innovative applications and products. The main areas of focus are the ALCOM[®] products and their application possibilities in the lighting technology field:

- ALCOM[®] LD (Light Diffusion) – for homogeneous, almost loss-free light diffusion and excellent luminous efficacy
- ALCOM[®] LB (Light Blocking) – for high light intensity and reflectance, and improved luminous efficacy
- ALCOM[®] LG (Light Guide) – for optimum light guidance combined with a high level of functionality, toughness and good resistance to heat distortion

“This is the first time that we have exhibited at NPE since 2002 and we intend to showcase our new technologies to the fullest extent. Along with our standard and custom formulated grades, ALBIS is globally known for its Light Blocking, Light Guiding and Light Diffusion ‘ALCOM’ product line which is used by every major car manufacturer in the world. We now bring this same technology to the appliance, consumer electronics and lighting markets with a number of great success stories”, says Mike Gray, President of ALBIS PLASTICS CORPORATION. “We have a strong global presence and have demonstrated our commitment to many large OEM’s with innovative compounds in key local markets”, Gray added.

ALBIS PLASTIC profile in brief

ALBIS PLASTIC is one of the global operating companies in the distribution and compounding of technical thermoplastics. In addition to the product portfolio of well-known plastic manufacturers, ALBIS offers the plastic processing industry a diverse product range of high performance plastics, compound solutions and masterbatches. In the 2013 business year, the ALBIS Group, which has approximately 1030 employees, achieved sales of 810 million euros. With 17 subsidiaries, the Hamburg-based company is represented in many European countries as well as in North Africa, the Far East and North America. ALBIS manufactures plastic compounds and masterbatches at three locations in Europe – Hamburg (Germany), Zülpich (Germany) and Manchester (United Kingdom), as well as in the new production site at Changshu, China.
