

PRESS RELEASE

ALBIS PLASTIC exhibiting at Light + Building in Frankfurt for the first time

- **ALBIS PLASTIC presents plastic solutions for technical light and building applications focusing on its own brand, ALCOM[®]**

Hamburg, 5th March ALBIS PLASTIC GmbH, global specialist for the distribution and compounding of technical thermoplasts located in Hamburg, will be presenting its products in 2014 for the first time at the Light + Building Trade Fair in Frankfurt am Main.

In Hall 4.0/Booth D61, ALBIS will demonstrate plastic solutions in the field of 'technical photometric components and accessories/LED's'. Here, the focus is on the product line offered by the company's own brand, ALCOM[®] as well as corresponding application possibilities for increasing energy efficiency:

- ALCOM[®] LD (Light Diffusion) - for homogeneous, nearly loss-free light diffusion as well as excellent luminous efficiency
- ALCOM[®] LG (Light Guide) - for optimum light guiding with maximum functionality, robustness and heat resistance
- ALCOM[®] LB (Light Blocking) - for minimum light transmission with simultaneously high degree of reflection to increase luminous efficiency
- ALCOM[®] TC (Thermo Conductive) - for improved heat management in combination with LED lights
- TEDUR[®] RF (Reflector) - for reflectors with direct metal plating and high temperature resistance

"Light + Building offers ALBIS an important forum for demonstrating attractive product solutions and application examples to visitors and experts in the lighting industry. Combined use of our materials and LED technology allows ALBIS to provide a significant contribution in terms of energy efficiency, while simultaneously increasing living comfort", promises Joachim Bernhard, Electrical & Electronics Marketing Director at ALBIS PLASTIC.

ALBIS PLASTIC profile in brief

ALBIS PLASTIC is one of the global operating companies in the distribution and compounding of technical thermoplastics. In addition to the product portfolio of well-known plastic manufacturers, ALBIS offers the plastic processing industry a diverse product range of high performance plastics, compound solutions and masterbatches. In the 2012 business year, the ALBIS Group, which has approximately 985 employees, achieved sales of 753 million euros. With 17 subsidiaries, the Hamburg-based company is represented in many European countries as well as in North Africa, the Far East and North America. ALBIS manufactures plastic compounds and masterbatches at three locations in Europe – Hamburg (Germany), Zülpich (Germany) and Manchester (United Kingdom), as well as in the new production site at Changshu, China.
