

Embedded 2017 show guide

The Embedded 2017 Show Guide helps exhibitors promote their presence at the show. Featuring a total circulation of almost 100,000 this guide will also be distributed at Embedded 2017 together with the February issue of EE Times Europe.

The Embedded 2017 show guide contains exclusive information for visitors to the show.

Advertising opportunities include Display ads, Company Profiles and Company Logos on the Stand locator pages which will guide visitors to your stand easily.

The number of pages of display ads in the magazine is limited, ensuring advertisers the highest visibility and helping guide more visitors to your stand.

Distribution:

Print: 15,000+ copies of which 12,500 will be sent to the German subscribers of EE Times Europe. The guide will also be distributed from the EE Times and EDN Europe stand in Hall 3A stand 402

Digital issue: over 80,000 copies will be sent to the readers of EE Times Europe and EDN Europe located in Germany and all over Europe.
