**1/4" PHONO SERIES (with conductive tips)**

***STRAIGHT STEREO - dual pins***

A nickel plated straight 1/4" stereo plug to dual .08" pins.  
**Compatible with older (manufactured prior to May 2000)  
 Excel, Dynatronics, LSI & Physio Technology equipment.**

**W5572** 72" Leads  
**W5512** 120" Leads

***STRAIGHT MONO - dual pins***

A nickel plated straight 1/4" mono plug to dual .08" pins.  
**Compatible with older (manufactured prior to May 2000)  
 Richmar, Mettler and some older Chattanooga equipment.**

**W5672** 72" Leads  
**W5612** 120" Leads

***STRAIGHT STEREO - STRAIGHT STEREO***

A nickel plated straight 1/4" stereo plug to straight 1/4" stereo plug. **Compatible with Multiplex stimulators and vacuum units.**

**W5748** 48" Leads

***RIGHT ANGLE MONO - dual pins***

A nickel plated right angle 1/4" mono plug to dual .08" pins.  
**Compatible with older (manufactured prior to May 2000)  
 Richmar, Mettler and some older Chattanooga equipment.**

**W5272** 72" Leads  
**W5212** 120" Leads

***RIGHT ANGLE STEREO - dual pins***

A nickel plated right angle 1/4" stereo plug to dual .08" pins.  
**Compatible with older (manufactured prior to May 2000)  
 Excel, Dynatronics, LSI & Physio Technology equipment.**

**W5372** 72" Leads  
**W5312** 120" Leads

**NOTE: All wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and red, black or red & black pins. Please specify your choice as indicated below:**

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

## *LEADWIRES AND ADAPTORS*

### ***“FDA Compliant” 1/4” STEREO SERIES (non-conductive tip)***

(Complies with FDA performance standard 21 CFR, part 898)

#### ***STRAIGHT STEREO - dual pins***

A nickel plated straight 1/4” stereo plug (non-conductive tip) to dual .08” pins. **Compatible with Excel and Dynatronics equipment as well as the stereo and mono solution adaptors.**

W6572 72” Leads

W6512 120” Leads

#### ***RIGHT ANGLE STEREO - dual pins***

A right angle 1/4” stereo plug (non-conductive tip) to dual .08” pins. **Compatible with our stereo and mono solution adaptors. Can be used with Excel and Dynatronics equipment.**

W6472 72” Leads:

W6412 120” Leads:

#### ***STRAIGHT STEREO “GOLD” - dual pins***

A gold plated 1/4” stereo plug (non-conductive tip) to dual gold plated .08” pins offering superb conductivity. **Compatible with Excel and Dynatronics equipment.**

W6672 72” Leads

W6612 120” Leads

#### ***COMBO THERAPY STEREO - single pin***

A nickel plated straight 1/4” stereo plug (non-conductive tip) to a single .08” pin. **Compatible with Excel combo therapy equipment as well as the stereo and mono solution adaptors.**

W6372 72” Leads

#### ***COMBO THERAPY STEREO - 1 pin & 1 banana***

A gold plated straight 1/4” stereo plug (non-conductive tip) to one gold .08” pin and one gold standard banana. **Compatible with Dynatronics combo therapy equipment as well as the stereo solution and banana adaptors.**

W6272 72” Leads

**NOTE: All wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and red, black or red & black pins. Please specify your choice as indicated below:**

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

## LEADWIRES AND ADAPTORS

### **“FDA Compliant” 1/4” STEREO SERIES (non-conductive tip)**

(Complies with FDA performance standard 21 CFR, part 898)

#### **STRAIGHT STEREO - dual bananas**

A nickel plated straight 1/4” stereo plug (non-conductive tip) to dual standard bananas. **Compatible with Excel and Dynatronics equipment as well as the stereo and mono solution adaptors.**

W6872 72” Leads

W6812 120” Leads

#### **RIGHT ANGLE STEREO - dual bananas**

A nickel plated right angle 1/4” stereo plug (non-conductive tip) to dual standard bananas. **Compatible with Excel and Dynatronics equipment as well as the stereo and mono solution adaptors.**

W6972 72” Leads

#### **THE STEREO SOLUTION** (Available in black only)

Our unique adaptor easily converts an “old style” 1/4” stereo jack for use with a new FDA compliant 1/4” stereo plug (straight or right angle). The stereo solution maintains the versatility and ruggedness of the old stereo phone plug wire. **Compatible with most older units which used a non-compliant 1/4” stereo plug.**

##### **AD6500 Adaptor Kit**

(comes with adaptor, collars and spacers only)

##### **AD6502 Adaptor Kit with Glue**

(kit, as above, and installation glue)

*\*Must order leadwire cable separately.\**

#### **THE MONO SOLUTION** (Available in beige only)

Our unique adaptor easily converts an “old style” 1/4” mono jack for use with a new FDA compliant 1/4” stereo plug (straight or right angle). The mono solution maintains the versatility and ruggedness of the old mono phone plug wire. **Compatible with most older units which used a non-compliant 1/4” mono plug.**

##### **AD8500 Adaptor Kit**

(comes with adaptor, collars and spacers only)

##### **AD8502 Adaptor Kit with Glue**

(kit, as above, and installation glue)

*\*Must order leadwire cable separately.\**

## *LEADWIRES AND ADAPTORS*

### **“SHEATHED” BANANA SERIES**

(Complies with FDA performance standard 21 CFR, part 898)

#### ***DUAL SHEATHED BANANA - dual pins***

A dual sheathed banana leadwire connected to dual .08” pins.  
**Compatible with Richmar, Amrex, Phyacon & Precision Microcurrent equipment.**

W4772 72” Leads

W4712 120” Leads

#### ***SINGLE SHEATHED BANANA - pin (Flat Ribbon Style)***

A single sheathed banana to one .08” pin (combo-therapy wire), using the flat ribbon-style cable.

W4372 72” Leads

#### ***SINGLE SHEATHED BANANA - pin (Round Style)***

A single sheathed banana to one .08” pin, using a round style cable. Available in red (W4472RR) or black (W4472BB) cable only.

W4472 72” Leads

#### ***BANANA ADAPTOR***

The adaptor will convert an old style standard banana jack for use with a sheathed banana plug. (Available in black only.)

AD4500 Adaptor only

AD4502 Adaptor with Glue

#### ***LOCKING BANANA ADAPTOR***

The adaptor will convert an old style standard banana jack for use with a sheathed banana plug. This 4mm banana plug expands in the jack to lock in place. Installation requires an Allen key wrench. (Available in red or black.)

AD4600 Adaptor only

AD4602 Adaptor with wrench

**NOTE: All wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and red, black or red & black pins. Please specify your choice as indicated below:**

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

## *LEADWIRES AND ADAPTORS*

### **“SHEATHED” BANANA SERIES**

(Complies with FDA performance standard 21 CFR, part 898)

#### ***DUAL SHEATHED BANANA - dual bananas***

A dual sheathed banana leadwire connected to dual standard bananas. **Compatible with Richmar, Amrex, Phyacon & Precision Microcurrent equipment.**

**W4872** 72” Leads

**W4812** 120” Leads

#### ***SINGLE SHEATHED BANANA - banana (Flat ribbon style)***

A single sheathed banana leadwire connected to a single standard banana using a flat ribbon style cable.

**W4972** 72” Leads

#### ***SINGLE SHEATHED BANANA - banana (Round style)***

A single sheathed banana leadwire connected to a single standard banana using a round style cable. Available in red (W4272RR) or black (W4272BB) cable only.

**W4272** 72” Leads

***NOTE: All wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and red, black or red & black pins. Please specify your choice as indicated below:***

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

**LEADWIRES AND ADAPTORS****BANANA SERIES*****SINGLE BANANA - pin  
(Round style)***

A single banana leadwire connected to a single .08" pin using a round style cable. Available in red (W4572RR) or black (W4572BB) cable only.

**W4572** 72" Leads

***SINGLE BANANA - banana  
(Round style)***

A single banana leadwire connected to a single standard banana using a round style cable. Available in red (W4672RR) or black (W4672BB) cable only.

**W4672** 72" Leads

## *LEADWIRES AND ADAPTORS*

### **3-PIN DIN SERIES**

(Complies with FDA performance standard 21 CFR, part 898)

#### ***STRAIGHT 3-PIN DIN - dual pins***

A straight 3-pin DIN plug connector to dual .08" pins. **Compatible with Mettler equipment.**

**W7572** 72" Leads  
**W7512** 120" Leads

#### ***RIGHT ANGLE 3-PIN DIN - dual pins***

A right angle 3-pin DIN plug connector to dual .08" pins. **Compatible with Mettler equipment.**

**W7472** 72" Leads  
**W7412** 120" Leads

#### ***COMBO THERAPY RIGHT ANGLE 3-PIN DIN***

A right angle 3-pin DIN plug connector to a single .08" pin. Used for combo therapy units. **Compatible with Mettler equipment.**

**W7372** 72" Leads

#### ***COMBO THERAPY STRAIGHT 3-PIN DIN***

A straight 3-pin DIN plug connector to a single .08" pin. Used for combo therapy units. **Compatible with Mettler equipment.**

**W8772** 72" Leads

#### ***RIGHT ANGLE 3-PIN DIN - dual bananas***

A right angle 3-pin DIN plug connector to dual standard bananas. **Compatible with Mettler equipment.**

**W7672** 72" Leads

**NOTE:** All wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and red, black or red & black pins. Please specify your choice as indicated below:

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

**LEADWIRES AND ADAPTORS****3-PIN DIN SERIES**

(Complies with FDA performance standard 21 CFR, part 898)

**STEREO - DIN ADAPTOR**

Converts an "old style" 1/4" stereo jack for use with a 3-Pin DIN plug cable (available in black only).

**AD7500** Adaptor only

**AD7502** Adaptor with Glue

**MONO - DIN ADAPTOR**

Converts an "old style" 1/4" mono jack for use with a 3-Pin DIN plug cable (available in black only).

**AD9500** Adaptor only

**AD9502** Adaptor with Glue

## *LEADWIRES AND ADAPTORS*

### **4-PIN DIN SERIES**

**(Complies with FDA performance standard 21 CFR, part 898)**

#### ***DUAL CHANNEL 4-PIN DIN - 4 pins***

A straight 4-pin DIN plug connector to **four** .08" pins (grey cable only - pins are marked with numbers 1&2 or 3&4 - please specify). Cable is available in a choice of either slim pin style or square pin style (inset). **Compatible with Chattanooga 2 or 4 channel equipment.**

W7172\* 72" Leads                    \*add -12 for channels 1 & 2 or  
W7112\* 120" Leads                add -34 for channels 3 & 4

#### ***SINGLE CHANNEL 4-PIN DIN - dual pins***

A straight 4-pin DIN plug connector to **dual** .08" pins. **Compatible with Chattanooga single channel equipment.**

W7972 72" Leads  
W7912 120" Leads

#### ***SINGLE CHANNEL 4-PIN DIN -dual bananas***

A right angle 4-pin DIN plug connector to **dual** standard bananas. **Compatible with Enraf equipment.**

W8272 72" Leads  
W8212 120" Leads

#### ***SINGLE CHANNEL 4-PIN DIN -dual pins***

A right angle 4-pin DIN plug connector to **dual** .08" pins. **Compatible with Enraf equipment.**

W8372 72" Leads  
W8312 120" Leads

***NOTE: Above wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and pins. Please specify your choice as indicated below:***

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

## LEADWIRES & ADAPTORS

### 4-PIN DIN SERIES

(Complies with FDA performance standard 21 CFR, part 898)

#### **SINGLE CHANNEL 4-PIN DIN -dual pins**

A straight 4-pin DIN plug connector to **dual** .08" pins.  
**Compatible with LSI equipment.**

W7272 72" Leads  
W7212 120" Leads

#### **DUAL CHANNEL 4-PIN DIN - 4 pins**

A straight 4-pin DIN plug connector to **four** .08" pins (grey cable only - pins are marked with numbers 1&2 or 3&4 - please specify.) **Compatible with Enraf equipment.**

W7772\* 72" Leads      \*add -12 for channels 1 & 2 or  
W7712\* 120" Leads      add -34 for channels 3 & 4

#### **DUAL CHANNEL 4-PIN DIN - 4 bananas**

A straight 4-pin DIN plug connector to **four** standard bananas (grey cable only - pins are marked with numbers 1&2 or 3&4 - please specify.) **Compatible with Enraf equipment.**

W7872\* 72" Leads      \*add -12 for channels 1 & 2 or  
W7812\* 120" Leads      add -34 for channels 3 & 4

**NOTE: All wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and red, black or red & black pins. Please specify your choice as indicated below:**

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

**LEADWIRES & ADAPTORS****5-PIN DIN SERIES****(Complies with FDA performance standard 21 CFR, part 898)*****STRAIGHT 5-PIN DIN - dual pins***

A straight 5-pin DIN plug connector to **dual** .08" pins.  
**Compatible with Williams equipment.**

**W8172** 72" Leads**W8112** 120" Leads***5-PIN DIN (270 degrees) with coupler - four pins***

A dual channel straight 5-pin DIN plug connector to **four** .08" pins (grey cable only) - pins are specially colour coded (white, wht/green, red/green & red) with heat shrink.  
**Compatible with Nemectron, Matrix and Hakomed equipment.**

**W8672** 72" Leads***5-PIN DIN (270 degrees) with coupler - dual pins***

A straight 5-pin DIN (270 degrees) plug connector to **dual** .08" pins. **Compatible with Enraf Sonopulse 464.**

**W2872** 72" Leads***5-PIN DIN (270 degrees) with coupler - four bananas***

A dual channel straight 5-pin DIN (270 degrees) plug connector to **four** standard bananas (grey cable only) - bananas are moulded in black and red. **Compatible with Enraf Endomed Model CV-405.**

**W8596B** 96" Leads

**NOTE: Above wires are available in ivory or grey wire (except where noted) with your choice of red or black plugs and red, black or red & black pins. Please specify your choice as indicated below:**

**Leadwire Colour Specifications** (add to part number): **IV** = ivory wire, **GR** = grey wire, **BB** = black plug and pins, **RR** = red plug and pins, **BRB** = black plug, one red and one black pin (eg W6572IVBB, W6512GRRR, W7372IVBRB)

## LEADWIRES & ADAPTORS

### 5-BLADE "TUCHEL" SERIES

(Complies with FDA performance standard 21 CFR, part 898)

*Due to the discontinuation of the 5-blade Tuchel plug (shown at right) used for older Enraf / Vectrodyne / Richmar / Physiomed / Multiplex etc. units, CMP has developed the following solution:*

#### "TUCHEL" BLADE ADAPTOR

Designed specifically to address the discontinuation of the Tuchel plug, this adaptor converts a 5-blade Tuchel jack for use with a 5-pin DIN to 4 pins or 4 bananas leadwire. (Available in black only.)

AD8400

**This adaptor must be accompanied with one of the following leadwires:**

#### FOR VECTRODYNE, MULTIPLEX, PHYSIOMED & RICHMAR IF200 COMPATIBILITY

A dual channel straight 5-pin DIN plug connector to **four** .08" pins (grey cable only) - pins are moulded in black and red.

W8072 72" Leads

#### FOR ENDOMED MODEL 433 COMPATIBILITY

A dual channel straight 5-pin DIN plug connector to **four** .08" pins (grey cable only) - pins are moulded in black and red.

W8472 72" Leads

#### FOR ENDOMED MODEL 433 COMPATIBILITY

A dual channel straight 5-pin DIN plug connector to **four** standard bananas (grey cable only) - bananas are moulded in black and red.

W8572 72" Leads

**LEADWIRES & ADAPTORS****BIOFEEDBACK SERIES****(Complies with FDA performance standard 21 CFR, part 898)****LEMO CONNECTOR - 3 snap extensions**

A straight "Lemo" plug connector extends to a manifold that has three .08" male pins "inset" Comes complete with three female .08" socket to snap extensions that are connected to the manifold (one each in white, black and red). Cable is available in grey only. **Compatible with Verimed equipment**

• **W2172** 72" Leads

**SNAP EXTENSION SET**

3-pack female .08" pin to snap wire adaptors/extensions. Comes with one each in white, black and red. **For use with our catalog number W2172 (pictured above).**

**W2206** 6" Leads

**AMPHENOL SERIES****(Complies with FDA performance standard 21 CFR, part 898)****AMPHENOL (3-pin configuration) - dual pins**

A chrome plated 3-pin Amphenol connector (with coupler) to dual .08" pins. Cable is available in grey only.

**Chattanooga Intellect 500, 500S, 700, 700C, 775 and Richmar HV combo and HV 20 Dispersive Lead**

**(Pins 1 and 2) :**

**W2372RB** 72" Leads

**W2312RB** 120" Leads

**Richmar HV 20 Active Lead -Red (Pins 1 and 3) :**

**W2672RRB** 72" Leads

**W2612RRB** 120" Leads

**W2772BRB** 72" Leads

**W2712BRB** 120" Leads

**LEADWIRES & ADAPTORS****OTHER LEAD WIRES*****QUAD .040" SOCKETS - DUAL .08" PINS***

A heavy-duty leadwire with four female .040" sockets to dual .08" pins (one red and one black). **Compatible with Chattanooga Intellect Legend XT, Vectra Genisys, and Transport equipment.** Available in black (channels 1 and 3) or grey cable (channels 2 and 4).

W17672\* 72" Leads

W17612\* 120" Leads

\*Plugs are marked with channel indicators.

Add -1, -2, -3, or -4 to part number indicating required channel. (Example: W17672-1)

***DUAL .06" SOCKETS - DUAL .08" PINS***

A heavy-duty leadwire with dual female .06" sockets (one red and one black) to dual .08" pins (one red and one black). Available in black cable only.

W17412 120" Leads

***STRAIGHT 1/8" STEREO - DUAL .08" PINS***

A heavy-duty leadwire with a 1/8" (3.5mm) Stereo Plug to dual .08" pins. Available in grey cable only with either red or black pins. **Compatible with Chattanooga equipment.**

W18112 120" Leads

**LEADWIRES & ADAPTORS****TENS / PORTABLE STIM SERIES****(Complies with FDA performance standard 21 CFR, part 898)****TRI-FEMALE 0.04"**

Tri-female (.040" sockets) to .08" red &amp; black pins.

**Compatible with Danmeter equipment models Elpha 2000 and Elpha 3000**

W1042 42" Leads

W1062 62" Leads

**MINI DUAL**

Mini dual sockets (0.04") with black/grey plug to red &amp; black .08" pins.

**Compatible with Care Rehab / Electromed models Classic TENS and Classic NMS, Verity Medical models Neurotrac 3, 4, ETS and Simplex, Mantra models Mantra TENS and Mantra Sports, and Spectramed model Polaris Digital**

W1342 42" Leads

**KEYHOLE**

Keyhole Style (0.040" sockets) to 0.08" red &amp; black pins.

**Compatible with Rehabicare, Cefar, Spartan, and Staudyn equipment models EMS+2, Promax, Maxima, Maxima II, Cefar and Spartan**

W1442R 42" Leads

W1462R 62" Leads

**IFC STYLE KEYHOLE**

Keyhole style with (0.04" sockets), red to red pins &amp; black to black pins.

**Compatible with stimulator models IF2, IF4000, Medstar 150, Sport IFC, Care IFC, and Vision Quest IFC-Plus**

W1462C 62" Leads

**CLINIC STYLE IFC KEYHOLE**

Keyhole style with (0.04" sockets), red to red pins (with grey cable) &amp; black to black pins. Heavy duty cable and strain relief offers extended life for busy clinics.

**Compatible with stimulator models IF2, IF4000, Medstar 150, Sport IFC, Care IFC, and Vision Quest IFC-Plus**

W18860 60" Leads

**LEADWIRES & ADAPTORS****TENS / PORTABLE STIM SERIES****(Complies with FDA performance standard 21 CFR, part 898)****RIGHT ANGLE FEMALE SOCKET**

A 45" leadwire with a right angle female socket to dual .08" red and black pins.

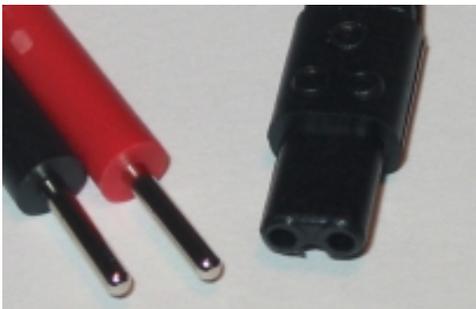

**W1636****STRAIGHT DOUBLE FEMALE SOCKET**

A 44" leadwire with a straight double female socket to dual .08" red and black pins.

**W1736****MINI DUAL SOCKETS to SNAPS**

Mini dual sockets (0.04") with black plug to red & black snaps.

**Compatible with Care Rehab / Electromed models Classic TENS and Classic NMS, Verity Medical models Neurotrac 3, 4, ETS and Simplex, Mantra models Mantra TENS and Mantra Sports, and Spectramed model Polaris Digital**

**W17742V****STRAIGHT DUAL FEMALE 0.06"**

Dual female (0.06" sockets) to .08" red & black pins.

**Compatible with all Biomedical Life Sciences Stimulators & RS Medical TENS**

**W1848 48" Leads****(Original Biomedical Leadwire) W1548 48" Leads****2.5 MM FEMALE PLUG**

A 40" leadwire with a female 2.5 mm plug to dual pins.

**Compatible with Empi Focus, Epix XL, Empi 300 PV, and Epix VT.**

**EMPI FOCUS****W18440F****EPIX XL****W18440E****EMPI 300 PV****W18440PV****EPIX VT****W18440VT**

**LEADWIRES & ADAPTORS****TENS / PORTABLE STIM SERIES (with conductive tips)****2.5mm PLUG CONNECTOR to dual pins**

Leadwire has a 2.5mm mono plug to dual .08" pin connectors, and is available in various lengths.

**W2536P** 36" Leads

**W2548** 48" Leads

**3.5mm PLUG CONNECTOR to dual pins**

A 48" leadwire with a 3.5mm mono plug to dual .08" pin connectors.

**W3548**

**2.5mm PLUG CONNECTOR to dual snaps**

A 36" leadwire with a 3.5mm mono plug to dual snap connectors.

**W2536S**

**DUAL .08" PINS to dual .08" pins**

A 48" leadwire with dual .08" pins on both ends. This wire is compatible with Medtronic's Respond II Stimulator.

**W9748**

**DUAL MINI-BANANA to dual pins**

A 36" leadwire with dual mini bananas to dual .08" pins for older Stadyne units.

**W18536**

**TENS ADAPTOR**

Adaptor converts an "old style" 2.5mm (.1") mono plug leadwire for use with the new FDA compliant TENS leads - our part number W1636.

**AD3500**

**ACCESSORIES****CONVERTERS & BIFURCATING WIRES****(Complies with FDA performance standard 21 CFR, part 898)*****PIN TO BANANA CONVERTER***

A leadwire adaptor that converts a pin to a banana. (For use on patient end of leadwire cable.) Available in red or black.

**C9300*****BANANA TO PIN CONVERTER***

A leadwire adaptor that converts a banana to a pin. (For use on patient end of leadwire cable.) Available in red or black.

**C9400*****.06" PIN TO .08" PIN CONVERTER***

A leadwire adaptor that converts a size .06" pin to a .08" pin connector. (For use on patient end of leadwire cable.)

Available in red or black.

**C9500*****PIN TO SNAP CONVERTER***

A leadwire adaptor that converts a pin to a snap. (For use on patient end of leadwire cable.) Available in red or black.

**C9600*****BANANA BIFURCATED LEADWIRE***

An 18" bifurcated "extension" with a single female banana socket bifurcating into dual standard bananas. Available in choice of either red or black moulding.

**W9118** 18" Leads***PIN BIFURCATED LEADWIRE***

An 18" bifurcated "extension" with a single female .08" socket bifurcating into dual .08" pins. Available in choice of either red or black moulding.

**W9218** 18" Leads**W9272** 72" Leads

**ACCESSORIES****EXTENSIONS & WIRE CONVERTERS****(Complies with FDA performance standard 21 CFR, part 898)****BANANA TO PIN WIRE CONVERTER**

A leadwire adaptor that converts a standard banana to a .08" pin connector. (For use on patient end of leadwire cable.)

Available in red or black.

**W9418** 18" Leads

**SINGLE PIN TO SNAP WIRE CONVERTER**

A leadwire adaptor that converts a .08" pin to a snap connector. (For use on patient end of leadwire cable.)

Available in red, black or white cable.

**W9506** 6" Leads

**SINGLE PIN WIRE EXTENDER**

A leadwire extender that has a single female .08" socket to a male .08" pin. (For use on patient end of leadwire cable.)

**W9618** 18" Leads

**W9672** 72" Leads

**SINGLE PIN TO BANANA WIRE CONVERTER**

A leadwire adaptor that converts a single .08" pin to a standard banana plug. (For use on patient end of leadwire cable.)

**W9906** 6" Leads

**ACCESSORIES****TENS ACCESSORIES****(Complies with FDA performance standard 21 CFR, part 898)*****SHEATHED PIN - PIN CONVERTER***

A leadwire adaptor that converts a “sheathed” pin to a pin. (For use on patient end of leadwire cable.) Available in red or black. **C2500**

***SINGLE PIN TO SNAP WIRE CONVERTER***

A leadwire adaptor that converts a .08” pin to a snap connector. Lightweight wire is designed for use with portable stimulator leadwires. (For use on patient end of leadwire cable.) Available in red or black. **W19506** 6” Leads

***PIN TO ALLIGATOR CLIP WIRE CONVERTER***

A leadwire adaptor that converts a .08” pin to an “alligator” clip connector. (For use on patient end of leadwire cable.) Available in red or black. **W3306** 6” Leads

***“TENS STYLE” PIN BIFURCATED LEADWIRE***

An 18” bifurcated “extension” with a single female .08” socket bifurcating into dual .08” pins. Available in red, black or grey cable. **W9318** 18” Leads

# ***TERMS AND CONDITIONS OF SALE***

26

- TERMS:*** Net 30 days. Payable by cheque or Visa.
- PRICES:*** All prices are in Canadian funds and subject to change without notice.
- FREIGHT:*** F.O.B. Scarborough, ON
- RETURNS:*** Customers wishing to return merchandise must obtain prior written authorization from Canadian Medical Products. Please note that a handling/restocking charge of 15% is applicable when goods are returned for reasons other than errors or defects in the manufacturing by Canadian Medical Products.
- CLAIMS:*** Claims for goods lost or damaged must be made against the carrier within three days of receipt of goods. Canadian Medical Products must be notified within five days of receipt of goods for any shortages, damages, wrong items or returns. Failure to do so shall result in Canadian Medical Products not assuming any responsibility.
- CANCELLATIONS:*** Orders for items of special design or of a class not normally carried in stock, cannot be cancelled, without first securing our written permission.
- CONTRACT PRICING:*** Available upon request.
