Clear Plastic Tubing

Why choose ClearView tubing?

ClearView clear plastic tubing provides many advantages over more traditional packaging. The flexible, impact-resistant plastic has the same clarity as acrylic or glass, so your product is viewed clearly. The clean, straight edges make our tubes attractive and user-friendly. ClearView tubing comes in pre-cut 48-inch lengths from 0.234 to 4 inches in outside diameter, but we can also customize the diameter and length to meet your needs. The tubing is available in both standard and heavy wall thicknesses for your applications that require added protection and durability.

Product packaging from top to bottom

Finish off your tubing with a selection from our huge assortment of caps and plugs. Choose plastic or vinyl, and then decide among hanger, anti-roll or one of our many other styles manufactured in a wide array of colors and sizes. If we don't have exactly what you want, you can take advantage of our custom capabilities. With all these options, it's easy to see why Caplugs is the clear choice.

We have a ClearView of your packaging needs.

ClearView plastic tubing is made of durable PETG and is manufactured completely in-house by Caplugs. We use state-of-the-art extrusion and quality control equipment to ensure the highest levels of consistency and quality.

Industrial Applications – Our line of heavy wall ClearView tubing is designed to provide the rugged protection needed to package machined parts, large drill bits and a variety of other industrial components.

Storage Applications – From nuts and bolts to saw blades and screwdrivers, ClearView tubing keeps everything organized for storage and clearly visible for quick identification.

Packaging Applications – For eye-catching displays, anything goes in ClearView tubing, making it ideal for retail and advertising specialties.

Shipping/Mailing Applications – ClearView tubing is strong enough to withstand the rigors of shipping, keeping your important documents and other items safe in transit. ClearView tubes are lighter than paper tubes yet durable, making them the right choice for all of your direct mail, advertising and promotional campaigns.

Caplugs is well known for our wide selection of caps, plugs, wraps, edge liners, netting and ClearView Plastic tubing. The possibilities for ClearView clear plastic tubing are endless. Find out what it can do for your applications. Visit Caplugs at www.caplugs.com or call 1-888-CAPLUGS for a free estimate and sample.
