

The premier solution for all of your lamp and battery needs.

Carley Lamps has been manufacturing and distributing high quality light sources for over 50 years and is the worlds largest manufacturer of miniature and subminiature lamps. Our commitment to quality and integrity transcends our manufacturing floor and can also be found in the products of our carefully chosen lamp and battery partners. Many of today's leading medical OEM's, distributors, hospitals, clinics, physicians and dentists rely on Carley Lamps for exceptional pricing, quality products, knowledgeable customer service and most importantly peace of mind when ordering their replacement lamps and batteries.
