

LAKE FOREST, CALIF.--- CMC to Exhibit at the Del Mar Electronics Show  
Posted: 1/30/2006 @ 10:51 AM

Carr Manufacturing Company (CMC) a manufacturer and provider of custom wire harness and cable assemblies, will attend and exhibit at the 2006 Del Mar Electronics Show in Del Mar, California on April 26<sup>th</sup> and 27<sup>th</sup>.

CMC is committed to supporting engineers and program managers by attending regional and national events. The show is held each year and draws industry professionals from San Diego and the surrounding areas. This year, CMC will be located in booth 452 in the main Exhibit Hall. For more information regarding this year's show, please visit <http://www.vts.com/delmar/index.html>

About CMC.

CMC is a California based corporation specializing in the design and manufacturing of standard and custom assemblies to the electronic, industrial, medical, and military industries. Its unique approach to contract manufacturing allows OEM's to offload their electro-mechanical assembly problems to CMC's experienced staff, thereby allowing the OEM to focus on its core product. Headquartered in Lake Forest, Calif., CMC has over 15 years of combined experience in designing, manufacturing, and supplying various electro-mechanical assembly solutions to the OEM market. For more information, call 949-716-1840 or visit the CMC website at <http://www.carmfg.com>.
