NEW CARTER PRODUCTS WEBSITE MEANS EFFICIENCY IS A MOUSE-CLICK AWAY • www.carterproducts.com

Grand Rapids MI • Carter Products has established a reputation for quality production innovations that mean improvements to the bottom line for their customers. Now their new website makes accessing all those products even easier.

At www.carterproducts.com, you can now find detailed product and application information for all Carter products, from band saw guides to 2-D laser pattern projection systems for CNC machining applications. The intuitive product selection system will help you find the right product fast.

Carter Products will be featuring their new site at the AWFS Fair in Anaheim. Visit them, and their new website, in Booth #2552.

Carter Products has been a leading producer of productivity-enhancing products since 1929. In addition to a full range of guide line and laser positioning lights, Carter offers the innovative Carter Flip-Pod® vacuum part holddown system for CNC manufacturing, a full range of band saw accessories for hobby and industrial use, inspection lights, and other products.
