## **NEW ULTRA BLUE BAND SAW TIRES FROM CARTER PRODUCTS**

*Grand Rapids MI* • Keep your bandsaw tracking straight and true with new Ultra Blue.

Building on their history of product innovation for both hobbyist and industrial woodworking applications, Carter Products is pleased to introduce Ultra Blue Urethane Band Saw Tires.

Ultra Blue tires offer fast, simple installation, without adhesives. You simply heat the tire in warm, soapy water, and stretch it over the wheel. You are back at work within minutes. Your new Ultra Blue tire will also last longer and resist damage more effectively than traditional rubber tires.

Available for wheels from 10" to 20" in diameter, Ultra Blue offers durability, improved precision, and easy installation.

Carter Products has been a leading supplier of productivity-enhancing products since 1929. Their line of band saw accessories is the broadest in the industry, including guides and tires for nearly every model of bandsaw on the market, past and present. Carter also offers a full range of guide line, laser positioning and inspection lighting, the innovative Carter Flip-Pod® vacuum part holddown system for CNC manufacturing, precision calibration instruments for widebelt sanding applications, and many other products.
