Laser Guide Line Light Service Request

NOTE: Please retain this form in your files. Should it ever be necessary to return your Carter Laser Guide Line Light to the factory for service, please provide the requested information and return the form along with your Laser Light. This will assist our service technicians in providing your unit with the best possible care.

Company Name: _____	Phone No: _____

<u>Ship To Address:</u>	<u>Billing Address:</u>
_____	_____
_____	_____

PLEASE DESCRIBE APPLICATION (type of industry, equipment laser is used with, length of service, etc.)

PLEASE DESCRIBE PROBLEM (how laser behaves, when problem occurs, etc. For more than one laser use serial # for each)

Serial #

Serial #

RETURN INSTRUCTIONS: Please pack the Laser Guide Line Light carefully prior to shipment to minimize the chance of damage in transit. Repacking the unit in the original shipping carton, if available, would be preferred. It is recommended that the shipment be insured for the full replacement value in case the package is lost or miss-handled during shipment. The completed package should be returned to:
