

End of Life/End of Sale

Product Change Notification – 860 WLAN Solutions

Corning MobileAccess announces the end-of-sale (EOS) of the following 860 WLAN solutions list effective January 15, 2014. **For customers with active and paid service and support contracts from Corning MobileAccess, support will be available as deemed in the contract, even if this date exceeds the last date of support shown in Table 1.**

Milestone	Definition	Date
End-of-Life Announcement Date:	The date of the document that announces the end-of-sale and end-of-life phase of a product is distributed to the general public.	October 14, 2013
End-of-Sale (EOS) Date:	The last date to order the product through Corning MobileAccess point-of-sale mechanisms. The product is no longer for sale after this date.	January 15, 2014
End-of-Service Contract Renewal Date:	The last date to extend or renew a service contract for the product.	January 15, 2014
End-of-Service-Life (EOSL) Date:	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	January 15, 2016

Table 1: End-of-Life Milestones and Dates
