

## Declaration of EU RoHS Compliance

This is to certify that our products are in full compliance with EU Directive 2011/65/EU, with respect to the following substances:

- 1.) Lead (0.1%)
- 2.) Mercury (Hg) (0.1%)
- 3.) Cadmium (Cd) (0.01%)
- 4.) Hexavalent Chromium (Cr(VI)) (0.1%)
- 5.) Polybrominated Biphenyls (PBB) (0.1%)
- 6.) Polybrominated Diphenyl Ethers (PBDE) (0.1%)

Note: The only banned substance listed above that was used in previously manufactured parts is lead, which was used for solder connections. All current and future PO's are fully compliant with EU Directive 2011/65/EU
