Circuits, LLC welcomes new Vice President of Sales

FOR IMMEDIATE RELEASE

April 15, 2015, Murrysville, PA, Circuits, LLC, a manufacturer of highly reliable flexible printed circuit boards, is pleased to announce the addition of John Gralewski to the executive management team. Mr. Gralewski, an accomplished business development professional, has accepted the position of Vice President of Sales. John will be responsible for leading the sales team and driving the growth effort for Circuits across North America.

John brings to Circuits LLC over 25 years of engineering design, sales and management experience including 20+ years in the circuit board industry. While working for a high technology PCB manufacturer, he held the positions of Design and Drafting Manager, Sales Manager and General Manager. He holds a BS in Electrical Engineering from Penn State University and a MBA from the University of Pittsburgh. Keeping with Circuits' promise to provide service-oriented, hassle-free flexible printed circuit board procurement, John is committed to providing that personal attention to each client in order to meet and exceed their expectations.

"We are very excited to have found someone with John's experience and expertise to lead the Circuits Sales team. He is an accomplished executive with deep technical knowledge of circuit board fabrication processes and technologies and will certainly be a valuable asset to our company and our customers" said Adeodato Vigano, Circuits' President.
