

Features:

- 100 - 512 MHz
- Sleeved stainless steel tape (blade).
- No tuning required
- Black base and black whip

Electrical specifications:

Frequency range	100 - 512 MHz
VSWR	< 3.5
Nominal impedance	50 ohm
Power rating	50 W
Radiation pattern	Omnidirectional
Polarization	Vertical
Connector	BNC– female

Mechanical specifications:

Design	End fed whip. Sleeved steel tape
Length, mounted	0.48 m
Weight	486g
Wind rating	57m/s
Finish	Epoxy lacquer, black
Temperature range	-55 °C, +71 °C; -67 °F, +160 °F

VSWR
