

Payment options

When deciding how to pay for your easyGUI order, you have several options.

1. You are welcome to mail us a signed PO, we will then issue you an Invoice payable by bank transfer, or personal payment link.
2. You can place an order in our easyGUI web shop. Here you can select to pay using a credit card, Bank transfer, or the PayPal option. We do not accept checks.
3. You can call and place your order, we will then issue you an invoice payable by bank transfer, or personal payment link.
4. You can FAX us a signed PO, and we will issue you an invoice payable by bank transfer, or personal payment link.

All prices are in EURO (€). If you wish to make a purchase using another currency, please contact us for a quote. We will use current date currency rate, and add a small transaction fee to your order total. Orders in all other currencies than EURO (€) can only be paid by Bank transfer.

Please note that we do not accept credit card payments over the phone, by FAX nor Email.
