Sightseeing

We will keep you busy during the training course, but there may be some time in the evenings to enjoy the area. Within 20 minutes to a half hour you can reach the major ski resorts along the Wasatch front. Even if you don't ski, the canyons are beautiful and worth the drive. Park City (about 45 minutes away) is an old mining town that has transformed itself into a resort town with lots of restaurants, art galleries and small stores lining old Main Street. The hotel is not far from TRAX, which is a light-rail system that will take you into downtown Salt Lake. The historical heart of Salt Lake surrounds "Temple Square" where buildings built by the early Mormon pioneers are located.
