NOTE: Electroswitch J11 & J21 Series require different panel cut out than C&K.

Electroswitch SC11 and SC12 Series require the use of style B bezel in order to fit in same panel cut out as C&K.

For other combinations of C&K part numbers see Toggle and Rocker Switch Cross References on pages 64 and 65.

① Momentary position opposite that of C&K. See Note ② on page 64.

NOTE: Electroswitch J11 & J21 Series require different panel cut out than C&K.
 Electroswitch SC11 and SC12 Series require the use of style B bezel in order to fit in same panel cut out as C&K.
 For other combinations of C&K part numbers see Toggle and Rocker Switch Cross References on pages 64 and 65.
 1 Momentary position opposite that of C&K. See Note 2 on page 64.
