FIS DESKTOP VIDEO MICROSCOPE

FEATURES

- 1 video microscope
- 1 10.1" LCD Monitor (F1-VM200LCD & F1-VM400LCD)
- (1) 6" video cable
- 1 2.5mm universal adapter (other adapters available)
- Connect to Windows PC via USB port (F1-VM200USB & F1-VM400USB)

The FIS Video Microscope is a natural choice for fast paced production environments, where ease of use and fast, accurate inspections are a necessity. Our brand new microscope offers a high resolution look at the end-face of most standard connectors, through your choice of wither 200x or 400x magnifications.

The sleek new design rests securely on your bench, while the included 6' video cable gives you the flexibility to place either the F1-VM200LCD & F1-VM400LCD, the 10.1"LCD (included) or attach the scope version (F1-VM200USB & F1-VM400USB) to any Windows based PC or Laptop with a USB port.

The optics and internal components are designed to be rugged and reliable, with no user-serviceable parts. The optics and internal components are designed to be rugged and reliable, with no user-serviceable parts. This ensures your FIS Video Microscope will offer you years of trouble-free service.
