Firan Technology Group will be added to the Qualified Products Database (QPD) in the ASSIST repository located at <https://assist.dla.mil>. Since there is some time lapse prior to the update of the QPD, you may use this letter as authorization of your qualification.

As a reminder, this qualification is subject to the following conditions:

a. The listing applies only to products manufactured at Firan Technology Group located at 10 Commander Boulevard, Toronto, ON, Canada, M1S 3T2, and applies to future amendments or revisions of the specification, unless otherwise specified.

b. The listing does not guarantee acceptance of the product in any future procurement.

c. The listing does not constitute a waiver of any requirements of the specification or of the provisions of any contract.

d. Any use of the listing for publicity, advertising, or sales shall not state or imply that the product is the only product of that type so qualified, or that the Government in any way recommends or endorses the manufacturer's product in preference to other qualified products. Violation is cause for removal of the product from the list.

e. The listing applies only to products identical to those qualified. DLA Aviation-VEB must be advised in advance of any intended change to the product, changed in manufacturing location, Management officials or to the process(es). Failure to provide the required notification of any change in design, material or construction is cause for removal from the listing regardless of the extent of the change.

f. Firan Technology Group must comply with the requirement for retention of qualification every 2 years to retain the listing. Non-compliance shall be sufficient cause for removal from the listing.

If you have any questions, please contact Karolina Koller of the DLA- Aviation VEB, Standardization Branch, (804) 279-6367, or e-mail: Karolina.Koller@dla.mil

Sincerely,
