LED Corn Bulb

Model: GP-Y6-A02CG

Product Description

Lamp Holder/Base E27

Size Dia45*H105

Input Voltage AC110V/AC220V

Lamp Holder E27

Material Plastic

Shape D

Light Color Scanning

Correlated Color Temperature Green

Powr 3.5W

Led quantity 96 Pcs

Luminous Flux 200 lm

Color Green

View Angle 360 degree

Defense grade Non-waterproof

Package 100 pcs/CTN

Working Temperature -20~40

Warranty 2 years

LED Corn Bulb Features:

1)Input voltage:AC11V/220V.

2)Powr:3.5W

3)Led quantity: 96 PCS

4)Dimension:Dia45*H105

5)Color is optional as your requirement.

6)E27 base,30,000 hours lifespan,CRI?70.
