HARTING Product Change Notification

PCN

Business Unit: HARTING Electric GmbH & Co. KG
Product range: Han® M
Author: Jürgen Bösch
Title: Han® M Hoods and Housings

PCN/0032
 Date: 20140331

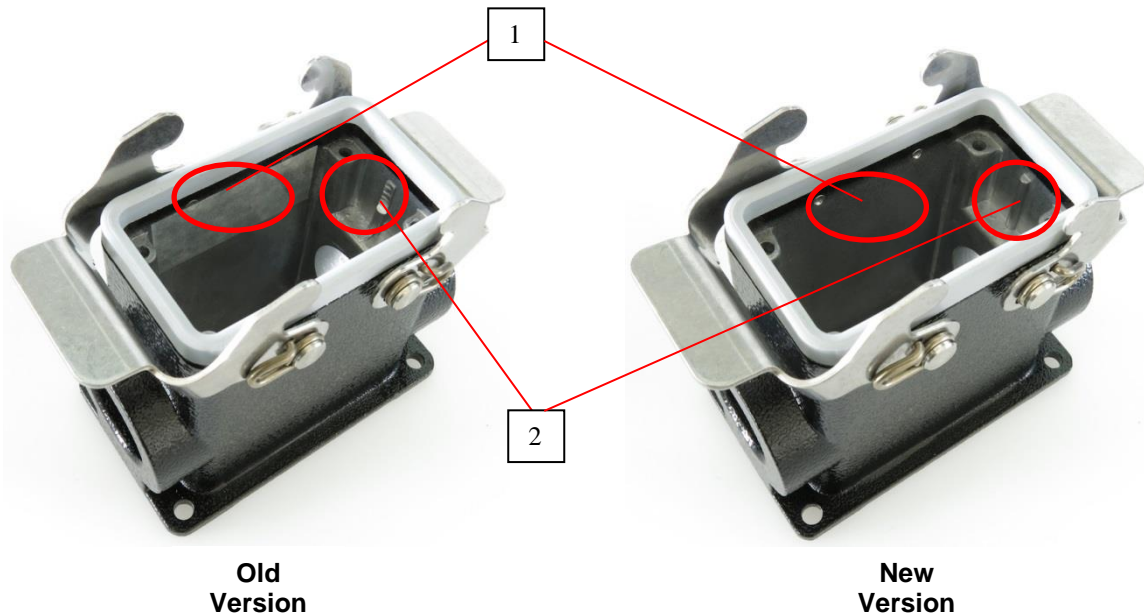

Details of Product Changes

1. Concerned part number (see also attachment):

See attachment

2. Description of changes / news:

Han® M hoods and housings size 10B, 16B and 24B will be delivered without the insulation tapes at each long side (1) and without removed ribs at the short sides (2) in the future.

3. Impact on product specification:

The modification has no impact on the Han® M product specification.

4. Scheduled date of implementation:

The process to modify the products has already been started. Please be aware for the next months that mixed deliveries (old and new design) might be possible.

5. Identification of change:

- New revision level
