Page 1/2

Dear Customer,

We would like to inform you about the design improvement of the Han-Quintax® Metal adapter (p/n: 09 14 000 9915).

Old design

New design

Pushing Performance

HARTING Product Change Notification

PCN

Page 2/2

Features and Advantages of the New Design

- Larger size
- Improved EMC protection, nearly 360° around the Han-Quintax®
- Better visibility of the correct position
- Easier installation, new parts do not stuck
- 100% compatible
- Same functionality
- No price increase

The part number 09 14 000 9915 will remain unchanged.

This change is scheduled for July 2013. During this time, mixed shipments are possible
