

**Business Unit:** HARTING Electronics

**PTN/HARAX/14/83/ABCD**

**Product range:** M12 Connectors

Date: 2014-09-30

**Title:** Product Termination of *HARAX*<sup>®</sup> M12 a-coded

Dear Ladies and Gentlemen,

Herewith we inform you about the termination of the following products:

2103 222 1402 *HARAX*<sup>®</sup> M12 a-coded male (5.5 – 7.2mm); containing only one seal

2103 222 1403 *HARAX*<sup>®</sup> M12 a-coded male (7.0 – 8.8mm); containing only one seal

2103 222 2402 *HARAX*<sup>®</sup> M12 a-coded female (5.5 – 7.2mm); containing only one seal

2103 222 2403 *HARAX*<sup>®</sup> M12 a-coded female (7.0 – 8.8mm); containing only one seal

The production of the above mentioned products will be discontinued at the end of the fiscal year 2015. Until the end of December 2014 you have the chance to place a last order.

With the distribution of PCN/HARAX/11/31/ABCD, PCN/HARAX/12/40/ABCD and PCN/HARAX/13/88/ABCD we informed about the introduction of the new shielding termination for *HARAX*<sup>®</sup>. Hereby, the above mentioned p/n are becoming obsolete because 2103 222 1401 and 2103 222 2401 already contain 3 seals.
