HARTING Product Change Notification

PCN

Business Unit: HARTING Electric GmbH & Co. KG
Product range: Han-Modular®
Author: Christine Öhls
Title: Han-Modular® Compact Carrier Hood &
Han-Modular® Compact Bulkhead Mounting Housing

PCN/0036

Date: 20140903

Details of Product Changes

1. Concerned part number (see also attachment):

Han-Modular® Compact Carrier Hood 09 14 001 0311
Han-Modular® Compact Bulkhead Mounting Housing 09 14 001 0301

2. Description of changes / news:

The designs of the Han-Modular® Compact Carrier Hood 09 14 001 0311 and the Han-Modular® Compact Bulkhead Mounting Housing 09 14 001 0301 have been changed.

Features and advantages of the new design:

- The new design has the main advantage of weight reduction as the amount of material is reduced. The weight reduction for both individual parts is approx. 18 g.
- The fixing of the flange gasket is improved as it is stabilized in the hood. This modification ensures easier handling.
- All other mechanical and electrical characteristics remain the same. The parts are 100 % mating compatible. Also prices remain the same.

3. Impact on product specification:

none

4. Scheduled date of implementation:

2014-09-03

5. Identification of change:

The part numbers remain unaffected.

The revision level of the Han-Modular® Compact Carrier Hood 09 14 001 0311 has been changed from 01 to 02.

The revision level of the Han-Modular® Compact Bulkhead Mounting Housing 0914 001 0301 has been changed from 02 to 03.

6. Data sheet (optional):
