

Technology with Vision

# HELLA CONTACT MAN 2017

## A Two Day Intensive Training Course

COME  
EXPERIENCE  
HELLA  
TECHNOLOGY

### THE HELLA CONTACT MAN COURSE

is designed to provide insight into the world of HELLA New Zealand. Come experience the culture, learn about innovative product development and the advanced technology used in the manufacturing of HELLA products.

Each participant will receive a detailed course manual, giveaways, HELLA information folder and a certificate for completing the course.

HELLA provides lunch for two days and dinner on day 1, plus overnight accommodation and breakfast for 'out of town' participants. Your company provides travel to and from the course.

HELLA can tailor the Contact Man Training Course to suit individual customer requirements.
