ENCLOSURE CABINETS

User Flexibility and Compatibility
Standard design allows for mounting of all computers and electronic equipment that meets E.I.A. Specifications. Hergo enclosures are compatible with most standard rack mount servers.

ENCLOSURE CABINETS

Configuring YOUR Enclosure

Use the Model Menu below to determine which enclosure unit meets your requirements. Go to the appropriate page as shown on the bottom row of the menu to locate the enclosure of your choice. All compatible options and accessories will be presented on this page to assist you in configuring your enclosure.

Choose from the following items:

1. Side Panels
2. Front and Rear Doors
3. Fixed and/or Slide-Out Shelves
4. Fan Assemblies and Air Filters
5. Cable Management
6. Power Management
7. Gliders, Stabilizers or Casters
8. Additional Options

© Hergo Ergonomic Support Systems, Inc.

Hergo Ergonomic Support Systems, Inc., designs, manufactures and markets an extensive line of functionally engineered modular technical office furniture.

Hergo's products include:

- Open Computer Racking Systems
- Computer Enclosures and Cabinets
- Relay Racks for Computers and Communications Equipment
- Personal Workstations & Computer Desks
- Training/Studio Desks
- Flat Panel Monitor (LCD) Arms
- Mobile Hospital Carts
- PACS Workstations

We provide customers with free space design consultation, including CAD drawings and simulated environment renderings, to help maximize user space and productivity.

Save time and money. Visit our dynamic and resourceful website: www.hergo.com.

We are located at: 56-01 55th Avenue
Maspeth, New York 11378.

Further assistance is just a phone call away.
