BRING IT ON. Icom America Showcases a NEW Radio at the 2017 Miami Boat Show

KIRKLAND, Wash. (February 2017) – Excitement will be swirling around the Icom booth at the 2017 Miami Boat Show, with the debut of the new M605 fixed mount transceiver. Make sure to visit us at the Miami Marine Stadium Park and Basin, February 16th- 20th at booth C484, and check out the wide array of Icom marine equipment on display. Plus don't miss out on a chance to **WIN a M25 floating radio** during Icom's winter boat show special.

Bring On The Color, with Icom's newest fixed mount transceiver. Debuting at the Miami Boat Show, check out the astonishing color and large LCD screen of the [M605](#). This radio is designed for viewing in any lighting condition.

Known for their legendary durability and ease of use, some of Icom's iconic marine radios will be on display during the show including the three-time NMEA Award winning [M506](#) and the rugged [M93D](#). Accessories like the new SP-37 Hailer Horn will also be on display. Connect the optional horn speaker and talk with the crew on deck or shore all from the radio's microphone.

Do not forget to visit Icom at booth C484 at the Miami Marine Stadium Park and Basin for a chance to **WIN a M25 floating radio**. Please ask an Icom team member for details. To learn more about Icom's marine products, please visit us [online](#). Make sure to Follow Us on [Twitter](#) or Like Us on [Facebook](#) for show information.

About Icom America

Icom America (part of Icom Incorporated) is a leading communications solutions provider. Icom began as engineering and manufacturing company, making advanced, compact solid-state radio equipment for use by amateur (ham) radio enthusiasts. Icom has since grown to become an industry leader with a product line that includes state-of-the-art communications equipment for land mobile, marine and avionics. Icom America was founded in 1979. With the exception of Cuba, Icom America is responsible for representing Icom products within the entire Western Hemisphere.
