## **BRING IT ON. Icom America Showcases the NEW M93D radio at the 2017 New York Boat Show Show.**

**KIRKLAND, Wash. (January 2017)** – BRING IT ON. Icom’s newest marine handheld will be on display at the New York Boat Show, January 25<sup>th</sup> - 29<sup>th</sup>, at the Javits Center. Stop by booth 1056 and check out the wide array of Icom marine equipment on display, including the new M93D. Plus, those who visit the Icom booth will have a chance to win a M25 floating radio.

Built for the serious boater, come by the Icom booth to learn more about the new [M93D](#). This professional and stylish radio is feature rich and smart. Stay safe with integrated GPS – providing location, bearing and speed, as well as a dedicated built-in DSC receiver for CH 70. Also the M93D is stocked with Icom’s continued tradition of Float’n Flash, AquaQuake™ and Active Noise Cancelling.

See why commercial mariners and boating enthusiast alike covet Icom marine radios. Known for their legendary durability and ease of use, some of Icom’s iconic marine radios will be on display during the show including the three-time NMEA Award winning [M506](#) and the popular [M25](#).

Throughout its 110-year history, the New York Boat Show is recognized as the place to see the latest and greatest in boating. Tens of thousands of boating and fishing enthusiasts will start their season at the five-day event. Everything from yachts to kayaks and marine electronics to fishing gear will be on display. The show will run from January 25<sup>th</sup> – 29<sup>th</sup> at the Javist Center.

Do not forget to visit Icom at booth 1056 for a chance to **WIN a M25 floating radio**. Please ask an Icom team member for details. To learn more about Icom's marine products, please visit us [online](#). Make sure to Follow Us on [Twitter](#) or Like Us on [Facebook](#) for show information.

### **About Icom America**

Icom America (part of Icom Incorporated) is a leading communications solutions provider. Icom began as an engineering and manufacturing company, making advanced, compact solid-state radio equipment for use by amateur (ham) radio enthusiasts. Icom has since grown to become an industry leader with a product line that includes state-of-the-art communications equipment for land mobile, marine and avionics. Icom America was founded in 1979. With the exception of Cuba, Icom America is responsible for representing Icom products within the entire Western Hemisphere.
