Maximum Number of Characters* (Based upon 9.4 characters per inch)

Length of Label	Number of Characters
1 1/2"	8
1 3/4"	10

STEP 4 - Determine Label Copy: Please clearly print or type the wording, punctuation, serial numbers, and logo position. Send original logo or stylized type if applicable. Visit our web site at www.idplate.com for instructions regarding how to send electronic artwork.

STEP 5 - Determine Quantity: Order in multiples of 100, providing quantity and exact serial numbers required. Please provide beginning and ending numbers and prefixes, if any. We recommend a maximum order quantity of one year for pressure-sensitive adhesive due to the shelf life of the adhesive.

STEP 6 - Determine Price: Refer to prices per 100. Options available include:
- Changes in serial number sequences or prefixes, add $3.50 for each change.
- Logo change, add $25.00 for each change.
- Copy or color OR both color and copy changes: $25 each.
- Data transfer of numbers by email, add $75.00 plus $1.50 per 100 per order.

NOTE: You may combine orders for copy or color or both color and copy changes to take advantage of price for total quantity. The following policies apply:
- Labels must be the same size and type.
- All labels produced at the same time.
- Changes made in multiples of 100 with 500 minimum.
