

JABIL PENANG

**SOLUTIONS ACROSS THE ENTIRE
PRODUCT LIFECYCLE**

JABIL

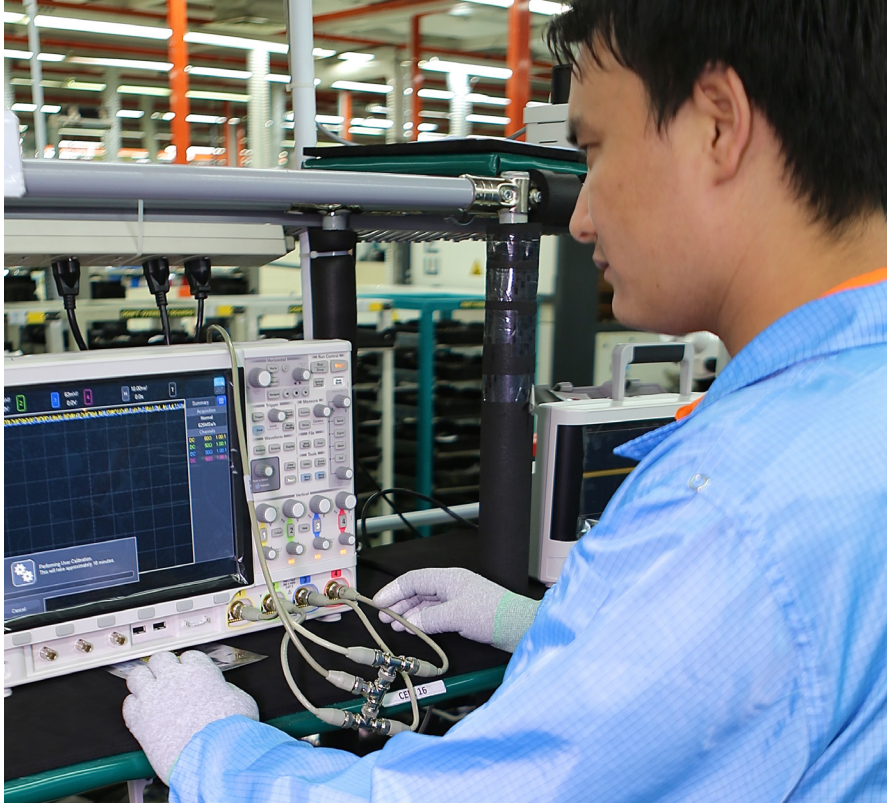

Jabil Penang is nestled in the south east part of the tropical island of Penang in Malaysia. First incorporated in 1995, this 20+ year old site was the first Jabil site in Asia.

Penang is often referred to as the Silicon Valley of Malaysia and the free trade zone that Jabil Penang is located in dates its origins to 1972. The benefits of this long-withstanding site includes a mature and world class supply chain, logistics, accommodation, skilled labor and business-friendly local authorities.

Best in Class Operations

Jabil Penang has close to a million square feet of manufacturing and office space. Jabil Penang employs over 5,000 employees who serve customers in various industries who consistently score Jabil Penang as Best in Class in areas of Technology, Quality, Responsiveness, Delivery, Cost, Environmental and Business Management.

About Jabil

Jabil's unique combination of global expertise, ingenuity, analytics and financial performance has contributed to the success of the world's most well known brands. We help companies design, build and take their products to market quickly, affordably and efficiently. But more than that, Jabil helps customers intelligently design their supply chains to be agile, economical and effective even in uncertain times.

We provide supply chain services to some of the world's most respected and trusted brands in a broad range of industries, including defense, aerospace, automotive, clean technology, computing, consumer, industrial, instrumentation, healthcare, networking, peripherals, storage and telecommunications. Built on a foundation of empowering employees, Jabil strives to be the world's leading global manufacturing solutions partner.
