

JABIL UZHGOROD

YOUR PARTNER OF CHOICE FOR
MANUFACTURING SOLUTIONS

JABIL

Located in southwestern Ukraine, 20 km from Hungary and 5 km from Slovakia, Jabil Uzhgorod, Ukraine is a well established EMS partner providing high-quality manufacturing solutions. With competitive costs - a proven record of successful new product introductions, premium logistics, well-established Jabil operating systems and highly professional and motivated personnel, the site has received best-in-class feedback and gold quality awards for consecutive quarters from highly respected electronics companies.

Thanks to strong rapport with the local government and customs agencies, Jabil Uzhgorod has streamlined their logistics processes: shipments are now cleared within two hours and take an average of four hours to cross the Ukrainian border.

As with all Jabil locations, the Uzhgorod site has implemented Lean manufacturing principles and Six Sigma methodologies, decreasing waste and defects while optimizing total landed cost.
