John Sigmon, Owner

JMS Southeast Inc. is ISO 9001 registered by UL and as such we follow a very stringent quality policy built around our Quality Statement. It is:
“JMS Southeast Inc will continuously improve its products and services to better satisfy the needs of its customers and will deliver to them; on time and every time, defect free products and services.”

JMS also has a safety policy built around our Safety Statement. It is:
“Safety comes from the mastery of your environment and of yourself. It is realized through individual effort and cooperation.

Only informed, alert and skillful people who respect themselves and have a regard for the welfare of others can achieve it.”

We believe these companies as well as our own employees lived up to both of these statements throughout our expansion.
