

**Manufacturer's Representative Covering the Northern California and Northern Nevada Territory**

Electro-Mechanical Switches ◦ Indicator Lights ◦ Vandal Resistant and Splash Proof Switches ◦ Temperature and Maintenance Indicator Modules ◦ Anti-Microbial Switches

Waterproof and Dustproof IEC Connectors, Battery Holders, Fuse Holders, Antenna's, USB, Firewire, RJ45s, Bluetooth, Enclosures, and Explosion Proof Connectors.

Power Supplies: AC/DC Open Frame ◦ AC/DC Enclosed ◦ AC Wall Mount Adapters ◦ AC Desktop Adapter ◦ DC/DC Converters and Heat Sinks

Electronic Wire and Cable ◦ Power Supply Cord Sets ◦ Custom Cable Assemblies ◦ Overmolding Capabilities

Modular Connectors (RJ11 & RJ45) ◦ D-Sub ◦ USB 3.0 ◦ Card Edge ◦ Rack and Panel ◦ Sockets ◦ DVI ◦ B57 ◦ HDMI ◦ Mini Display Port Connectors

Ethernet Transformers: 10BASE-T, 10/100, GigE, and 10G ◦ PoE, PoE + Transformers and Integrated RJ45's; GR1089 Protection Modules, T1/E1 Transformers, Low Power DC/DC Converter Isolation Modules.

Crystals and Oscillators ◦ SMT and Thru-Hole Package Options ◦ 6<sup>th</sup> Largest Timing Device Manufacturer in the World

LedEx Solenoids ◦ Actuators ◦ Johnson AC/DC Motors ◦ Saia Stepper Motors ◦ Gear Motors ◦ Burgess Micro Switches ◦ Parlex Flexible Circuits: FFC, FPC, PTF

Ethernet Isolators with ESD Protection ◦ 5KV Ethernet Data Isolator ◦ Ethernet Lightning Strike Protectors ◦ Mid-Span PoE Injectors

Analog Audio and Industrial Meters ◦ Control Knobs

Harsh Environment Connectors for the Military, Aerospace, Industrial, Communications, and Transportation Markets, 38999 QML

Potentiometers ◦ Trimmers ◦ Encoders ◦ Inductors ◦ Hybrid Microcircuits ◦ R-Networks ◦ Discrete Resistors

Precision and Current Sense Resistors ◦ R-Networks ◦ R/C Networks ◦ Resistor BGA ◦ Wire Bondable Chips ◦ High Power Resistors ◦ Anotherm Thermal Substrate

Slotted and Reflective Switches ◦ High Bright LED's ◦ Optical Isolators ◦ Infrared (IR) Discrete Components ◦ Custom Assemblies and Value Add

Military and Aerospace MOSFETS ◦ Bipolar Transistors ◦ IGBT Modules ◦ Hi-Rel Diodes ◦ Hi-Rel Voltage Regulators ◦ Custom IGBT Power Modules ◦ Audio MOSFETS

High Power Resistors ◦ Carbon Comp ◦ UL Fusible Resistors ◦ Current Sense ◦ Pulse Withstanding

Ceramic Capacitors ◦ High Voltage ◦ Safety Certified SMT (X1/Y2, X2/Y3) ◦ Stacked and Radial Capacitors/Mil-Spec Caps

**History**

James S. Heaton Co. was founded in 1957 based on the concept that respect for others, truth and hard work were all good things to accomplish. Understanding that people run companies (customers and principals alike), it has always been important to us to address opportunities openly, quickly, honestly and fairly.

CELEBRATING 55 YEARS!

JAMES S. HEATON COMPANY, INC.  
MANUFACTURERS' REPRESENTATIVE

1957 - 2012
