Golight® Cr5 Pentabeam™ II

Combining the revolutionary Golight® five-sided parabolic reflector with an axial filament Philips® 9011 bulb, Cr5 Pentabeam™ II Technology generates an extremely bright, virtually perfect beam of light to eliminate dark spots, cast a broad spectral pattern and reach distances of up to one-half mile. Projecting more usable light than other brands, Golight® Cr5 Pentabeam™ II brings more power to you, anywhere you go.
