Our Company

Ledil is a Finnish manufacturer and supplier of LED optics. We are driven by an innovative 'can do, will do' attitude. We have a genuine desire to help our clients to succeed with our competitive solutions and products.

Ledil is committed to developing top quality optical solutions which add real value to the end products. Our standard product range is wide and we have strong know-how in custom projects from design to delivery.

Quality

Our quality standards are based on innovative and skillful people. All our lenses are produced by a unique injection molding process, which ensures high optical quality, performance, lifetime and functionality. Our optics can work in extreme conditions.
