# MEM SERIES

## MINIATURE CIRCUIT BREAKER

### Application

MEM series MCB protects from overload and short-circuit in household and industrial distribution system.

### Specification

Model	MEM
Poles	1P, 2P, 3P
Rated current (A)	6, 10, 15, 20, 25, 30, 40, 50, 60
Rated voltage (V)	AC230/400
Frequency (Hz)	50/60
Tripping characteristics	C, D
Rated breaking current Inc	3kA
Electrical life	4000
Mechanical life	16000

Remarks:

1. OEM and custom service is available;
2. Details should be informed before ordering;
