

Be Remarkable!™

# PROTOTYPE PROGRAM

BUILD A NEW 10 PIECE PROJECT

**Be Remarkable!™**

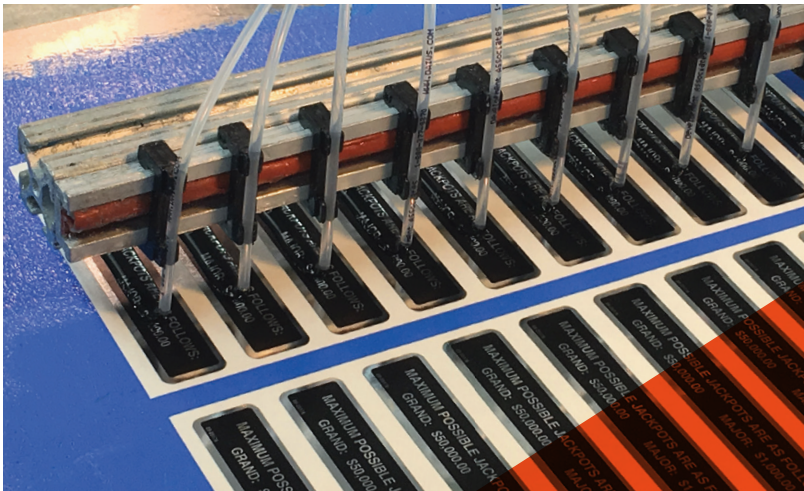

### Faceplates, Graphic Overlays & Nameplates \*

Graphic overlays, keypads and faceplates are ideal for recessed moldings, switch assemblies or front panels. They are printed on the underside of chemical and abrasion resistant transparent plastics – making it a durable solution.

- **Material:** Polycarbonate or Polyester.
- **Rapid Development:** 3 to 5 day turnaround.
- **Testing:** Full productions with tooling available.
- **Additional Features:** Hardcoated windows, selective texture, and additional versions.

<b>Prototype</b>	<b>\$275.00</b>
Add Windows **	\$225.00
Selective Texture	\$140.00
Other Adhesive	\$100.00
Per Additional Versions	\$90.00
Per Additional Piece(s)	\$10.00
Add Serial Numbers	\$25.00
Add Barcodes	\$75.00

### Domed Nameplates \*

Give your product a high-end look with a custom 3-D effect. An excellent, long-lasting solution for your brand and product identification. Features – 4 day turnaround.

- **Material:** White Polyester.
- **Additional Features:** Chemical and weather resistant, suitable for outdoor use.

<b>Prototype</b>	<b>\$325.00</b>
Other Adhesive	\$100.00
Per Additional Piece(s)	\$7.00
Add Serial Numbers	\$25.00
Add Barcodes	\$75.00

### Decals \*

Decals are an excellent solution for indoor & outdoor use. Labels are designed for durability & functionality. Features – 3 day turnaround.

- **Material:** Vinyl.
- **Additional Features:** Long lasting, limitless designs, high & low surface energy adhesives.

<b>Prototype</b>	<b>\$225.00</b>
Per Additional Piece(s)	\$4.00
Add Serial Numbers	\$25.00
Add Barcodes	\$75.00

\* Prototype design is limited to 11" x 17" in scale.

\*\* Adding windows will increase turnaround time to 5 work days.
