

TRADE OUT. AND TRADE UP. TO DIGI.

\$50 REBATE FOR 2G/3G TRADE-INS

Don't Get Left Behind. Update Now with Digi TransPort® LTE Routers

It's coming. You just don't want to think about it. Because you know legacy 2G/3G cellular devices can't live on forever. And chances are your carrier has already warned you about the upcoming network changes.

Why bother with a workaround solution? You know it's time to trade up to the latest LTE devices on the market...from Digi.

They're faster – with more than double the speed. They're more responsive – with far less latency. And now they bring the strength and quality of LTE network connections to all your mission-critical applications. Isn't it time you traded up to Digi?

\$50 CREDIT TOWARD THE PURCHASE OF ANY DIGI LTE ROUTER

Here's the Deal: Your Old Routers Still Have Value

From now until **June 30, 2017**, you will receive \$50 on any 2G or 3G product you trade out, one-for-one, with a Digi TransPort router. Simply fill out the attached form with the product names and serial numbers of the devices you're replacing and you'll receive a \$50 rebate for every one you replace with a Digi TransPort and there is no limit on the amount.

Make an Extra \$1,000

For every 100 2G or 3G products you replace at one time, we'll give you an additional \$1,000 bonus.

So instead of a \$5,000 rebate on 100 devices, we'll sweeten the pot to \$6,000.

What are you waiting for? Trade up today!

You Get More from Digi

- Enterprise software with no annual license fees
- Industry-leading 3- to 5-year warranty
- 30-day trial of Digi Remote Manager®, so you can centrally manage and troubleshoot all your remote devices
- Technical support included with purchase

Go Green and Trade-Up

You can even send us your old devices and we'll recycle them for you!
(See terms and conditions below)
