

Product Discontinuance Notification

RF-403-002

June 7, 2010

Overview

The purpose of this notification is to communicate that OmniVision Technologies, Inc. (OVT) is discontinuing product identified below. The timeline and terms and conditions associated with the product discontinuance are contained within this notification.

Description

The OV07949-Q48V and OV07949-Q48W demand is in decline. A more cost effective device with more features and improved performance metrics is available as a superior replacement. Omnivision Technologies is discontinuing these devices to ensure we manage our inventory and supply chain to offer our customers the best level of service as well as the most economic supply chain.

Product(s) Affected

<u>OVT P/N</u>	<u>Recommended Replacement</u>
OV07949-Q48V	OV07960-E62V-PF
OV07949-Q48W	Please contact your local OVT Representative for assistance with identifying a replacement device.

Timeline

Effective Date/Notification Date: June 7, 2010

Last Time Order Date: June 6, 2011 (12 months from Notification)

Last Time Ship Date: December 7, 2011 (18 months from Notification)

OVT will continue to accept orders for products contained in this notification between the effective date and last time order date noted above. During this period, all orders will be subject to non-cancelable, non-returnable (NCNR) terms. After the last time order date, OVT will no longer accept new orders for any product contained in this notification.

OVT will discontinue shipment of all products contained in this notification after the last time ship date noted above. All orders for these products must request delivery on or prior to the last time ship date.

Response

Please inform your local OmniVision Technologies, Inc. Representative regarding your plans for these devices within 90 days of receipt.

For additional information regarding this notification, please contact your local OmniVision Technologies, Inc. Sales Representative.
