

CHAIN VISES

PIPE TOOLS & VISES
SINCE 1896

CV4

CV4 with Reed Mounting Holes

Capacity for both: 1/8" – 4"
 10 – 114 mm

CV4RHP

CV4RHP with Ridgid®
Compatible Mounting Holes

Reed's popular CV4 Chain Vise is now offered in a new CV4RHP model. It has the same great features as the CV4, but with mounting holes to fit areas already drilled for a Ridgid® vise. Conversion to a Reed vise is now simpler, due to the RHP base design.

Reed is keeping the original Reed hole pattern on chain vises. The CV4RHP is a requested addition to the line.
