

# GO NUTS

## PIVOT HEAD VALVE KEYS

- **Pivoting head** is designed to fit difficult-to-reach 2" operating nuts.
- **Heavy gauge**, mechanical steel tubing shafts support a maximum torque of 200 foot-pounds.
- **Made in USA**, Reed valve keys feature strong welds at critical points.
- Added safety feature — valve keys bend before they break.
- Use manually with included handle or with Reed's 700PD Power Drive and clutch for power valve operation.

**NEW**

Item No.	<b>02341</b>	<b>02345</b>
