

## WARRANTY STATEMENT

**This STx product is intended for Evaluation purposes or Engineering Development use only.** STx warrants that each hardware product delivered under this warranty will be free from defects in material or workmanship and will conform to STx's applicable specifications. If products sold hereunder are not as warranted, STx shall, at its option, refund the purchase price or repair or replace the nonconforming products, as set forth below, provided proof of purchase and written notice of nonconformance is received by STx within the applicable warranty period. All applicable products, including internally installed devices, and selected board products carry a warranty term of **90 days** from the date of shipment. The warranty period begins on the date of shipment from STx's applicable facility. If a product is repaired or replaced under the warranty, the warranty on repaired product is 30 days.

### Warranty Exclusions

The warranties set forth above do not extend to altered products that are repaired or maintained by other than personnel that STx has trained and certified. They also do not apply to products that fail or are damaged due to shipment, handling or storage or operation, use or maintenance in a manner or environment that does not conform to STx's published instructions and specifications.

### Disclaimer of other Warranties

This warranty is in lieu of all other warranties whether express, implied, or statutory, including implied warranties of merchantability or fitness for a particular purpose.
