Cold Cathode UV Lamp

<製品の特長 Features>

- 特殊な電極を用いる事で他のUVデバイスに比べ長寿命

Our product has a longer lifetime than other UV devices because of its original electrodes.

- ✓ ON/OFFの繰り返し使用でもお客様の様々な点灯パターンに合わせ、高い殺菌力を維持

Our product keeps the same high UV irradiance and long lifetime even when switching ON/OFF many times.

It's easy to design lighting patterns based on the customers' needs.
