

## **Stratus Partners with Aeries to Market Products and Services in India**

*Stratus and Aeries Respond to Growing Demand for Availability Solutions*

**Maynard, Mass., USA and Mumbai, India, August 26, 2015** – [Stratus Technologies, Inc.](#), the leading provider of availability solutions, and Aeries Technology Solutions Private Limited, a leading consulting, technology services and outsourcing organization, today announced a partnership to serve the needs of enterprises in the rapidly growing BFSI (Banking, Financial Services and Insurance), Manufacturing, Consulting and IT sectors in India. A dedicated sales team has been assembled, and a Customer Experience Center will soon be launched within Aeries' headquarters in Mumbai.

"The dramatic growth of the Indian economy has heightened the need for fault tolerance and high-availability solutions, creating a strong demand for Stratus software, platforms and cloud services," said Nick Nindra, vice president, AP sales and services, Stratus Technologies.

"With our deep understanding of the technology and the national corporate landscape, Aeries is well-positioned to drive the rapid penetration of Stratus products and services in India," said V. Raman Kumar, chairman, Aeries Technology Solutions.

The Customer Experience Center will offer technology professionals a hands-on environment to study and experiment with Stratus [everRun® Enterprise](#) and [everRun® Express](#) software, Stratus [ftServer®](#) hardware platform, and the company's [cloud availability and workload services](#).
