

Transformer 230 V / 12 V, 300 VA

Safety-transformer, with primary fuse

(Photo shows similar transformer but with different power)

Type-no.	096 093 300
Type	Safety transformer
Intended use	Low-voltage-halogen- and LED-lighting
Voltage	Primary 230 V / Secondary 12 V AC
Power	300 VA
Input	Wire (60 cm), fuse and overheat-protection
Output	Wire (60 cm)
Size / weight	130 x 90 x 100 mm / 4.0 kg
Approvals	CE 
Origin	Made in Germany
Standard delivery time	1-2 days
