Memory Card Series COLOR CARD UHS-I

Change your impression about memory cards

Team Group's COLOR CARD is using dimensional linear design with bright and bold color gradient. The sleek 3D visual impression completely changes consumers' traditional stereotype about memory cards.

Store your colorful memories of life respectively

With a colorful design, it is a breeze for consumers to identify and store their wonderful moments and glittering memories of life respectively.

Contribute in helping the planet with an eco-friendly product

By adopting new printing technology, there are no multiple screens required when printing with multi colors. During the manufacturing process, not only the heat transfer color inkjet printing is screen free, but we are also using eco-friendly inks to protect our environment and bringing beautiful colors to consumers.
