

Teledyne Reynolds, Inc.
5005 McConnell Avenue
Los Angeles, CA 90066

October 02, 2008

To: **Suppliers of Limited Shelf-Life Items**

Subject: **Revised SQAP Code 35 for Limited Shelf-Life Items**

Effective immediately, SQAP Code 35 as noted in TRI Form QSF-106-8, "Supplier Quality Assurance Provisions (Replaces SQAP-100)" has been revised with the addition of supplier labeling requirements. The new labeling requirement directs suppliers to label limited shelf-life items to facilitate dock-to-stock acceptance at Teledyne Reynolds, Inc. The revised Code 35 is noted below in the abbreviated Table 2 excerpted from Teledyne Reynolds, Inc. Form QSF-106-8. The revised form is also posted electronically in the "Supplier Portal" folder at www.teledynereynolds.com.

Table 2
SPECIFIC REQUIREMENTS - SQAP Codes as Invoked by TRI Purchase Order

Code No.	Requirement Name	Requirement
35	Limited-Life Materials: Remaining Life & Labeling Requirements	<p><u>Remaining Shelf-Life:</u> The supplier shall not submit limited-life material(s) with less than 75% of the useful life remaining without written approval from TRI in the form of a TRI-approved Supplier Deviation Request (TRI form QSF-106-2, available from TRI Purchasing and Quality Assurance, and posted electronically at www.teledynereynolds.com.)</p> <p><u>Labeling:</u> The supplier shall label (white label preferable) each individual container of limited-life materials with the following information:</p> <ul style="list-style-type: none"> • Teledyne Reynolds Purchase Order Number. • Supplier lot number. • Date of manufacture. • Date of expiration. • Storage conditions (if applicable and/or modifies expiration date).
